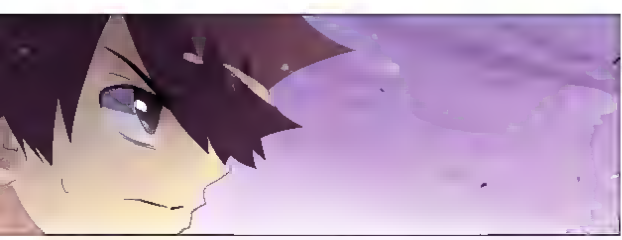
"SOUL SACRIFICE GATEWAY"

THIS GATEWAY ONLY PROHIBITS HUMANS.

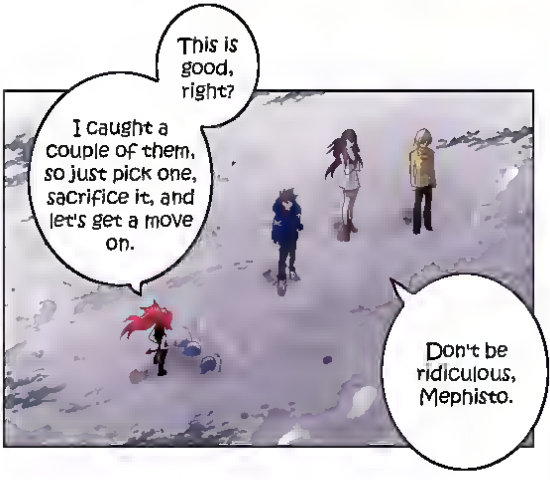
HOWEVER, IF ONE SINGLE SOUL IS SACRIFICED, THE GATEWAY WILL OPEN TO ALL HUMANS FOR ONE HOUR.



31

Now.

Basically, if we just offer one soul, everyone can pass, right?
That's nothing.
SHIVER
SHIVER
SHIVER
SHIVER
SHIVER
SHIVER



This is good, right?
I caught a couple of them, so just pick one, sacrifice it, and let's get a move on.
Don't be ridiculous, Mephisto.

I'm a spirit medium.

A spirit medium's duty is to safely deliver souls to the Afterworld.
Sacrificing a soul for my own benefit is something I absolutely cannot do.

Rather... I wouldn't be able to call myself a spirit medium if I did.

...

Don't care. That's not something I would know about.
Just hurry up and sacrifice one already.
HEY!! LISTEN TO WHAT I'M SAYING!!

Here, there's three of them so pick whichever one you want.
That's fine, right?
HURRY UP AND OPEN THE DOOR
Mephisto-nim...
I don't know about an archdevil such as yourself, but the others must follow the gateway's rules.
There must be consent amongst the group.

WHAT DID YOU SAY~?!
PLOP

AHHH! REALLY!!
SACRIFICE ONE AND LET'S GO!!
No!!

CHA SI-UN! FAUST!
WHAT ARE YOU TWO GOING TO DO?!

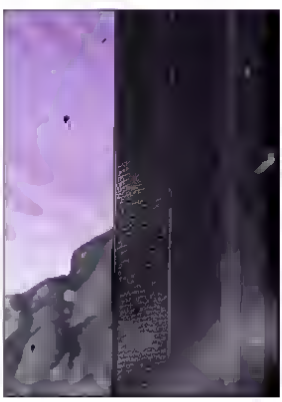
I don't want to either.
There's no point in telling you.
AHAHA
POP
POP
POP
THESE GUYS!!

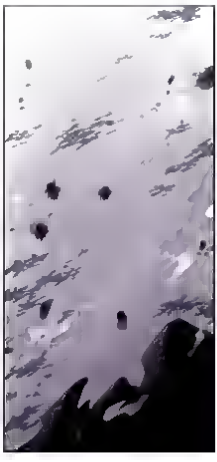
AHH, WHATEVER!
SWISH
I'LL WAIT A LITTLE SO GO SOLVE THIS AMONGST YOURSELVES!!

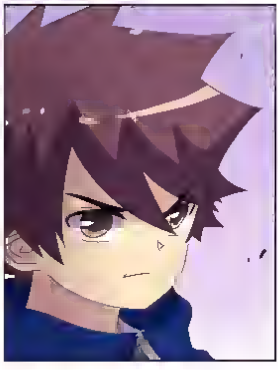
IF YOU GUYS TAKE TOO LONG I'LL DO AS I PLEASE, SO YOU BETTER DO WELL!!
HEY, CALF! YOU FOLLOW ME!!
WHAT?!

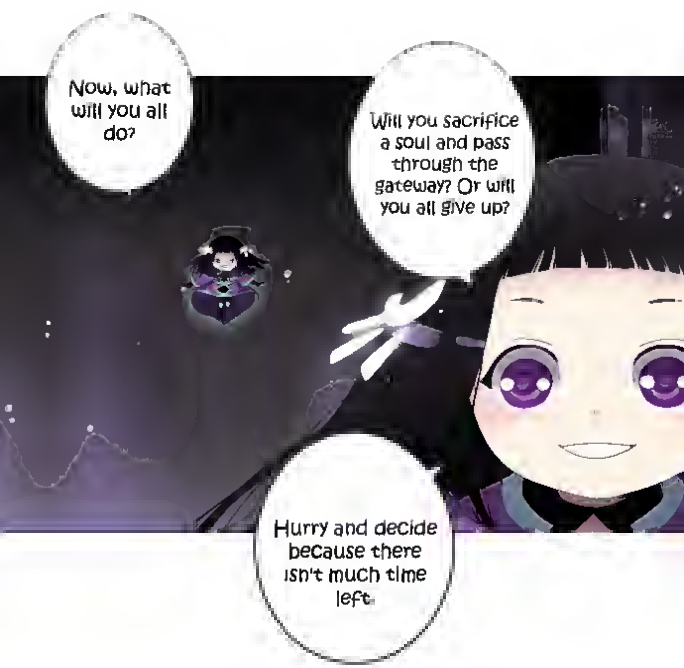
YOU LOST THE RACE FROM EARLIER.
YOU HAVE TO FIGHT ME FOR ONE ROUND NOW!
UWAAH~
DRAG
DRAG
DRAG

KUUUAAAAAAH~

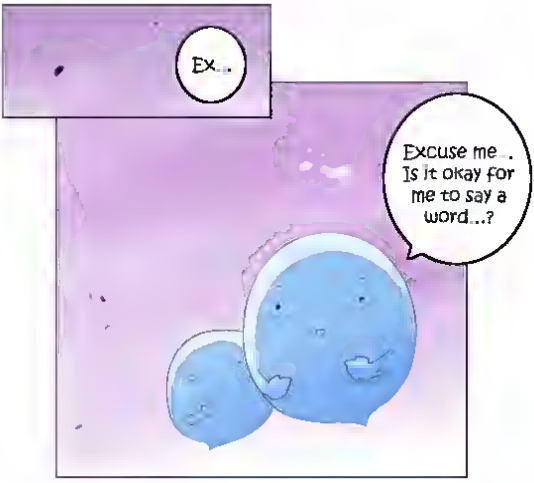








Now, what will you all do?
Will you sacrifice a soul and pass through the gateway? Or will you all give up?
Hurry and decide because there isn't much time left.



Ex...
Excuse me . Is it okay for me to say a word...?

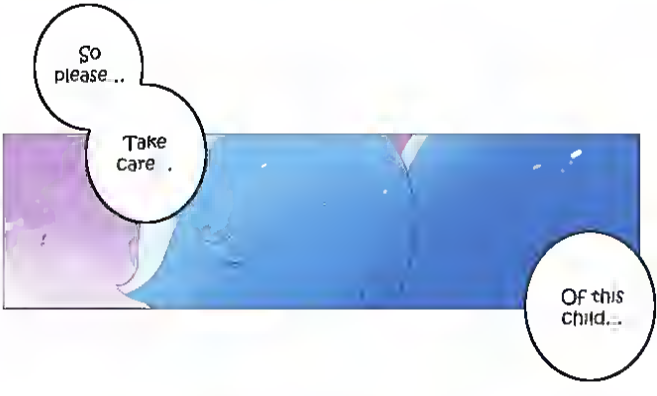
?

I have a request for the student over there.
Me...?
Yes, back at the Acheron River, you saved us....
?!

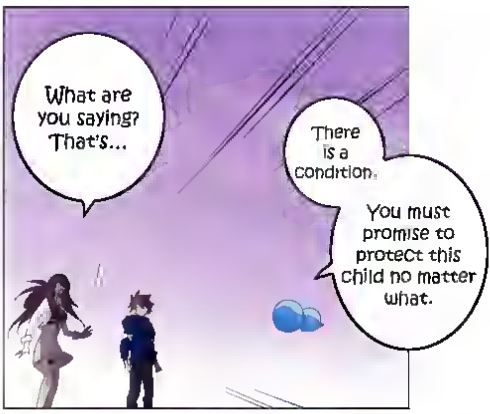
Ah!
I remember!
The one that had a kid...

But what do you mean by a request for me...?
You have to... Hear me out.

I will...
Be the sacrifice.



So please ..
Take care .
Of this child...



What are you saying? That's...
There is a condition.
You must promise to protect this child no matter what.

Please help this child reincarnate into the world...

May I... Ask the reason why you're doing this?
Faust.

.....

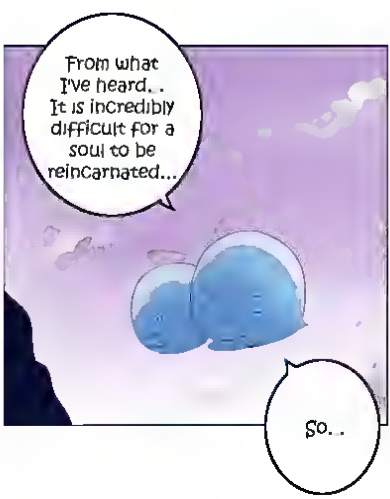
This child was...
Only three years old.

This child is much to young... To come to a place like this...
Within those blazing flames...
I couldn't even save this child.

I know it was an accident that couldn't be stopped...
But this is far too harsh a fate to thrust upon this child.

That is why I am making this request.
I really want to give this child a new life.

You said, back when you saved us,
That you would definitely deliver all the souls safely to the Afterworld...



From what I've heard... It is incredibly difficult for a soul to be reincarnated...
So...

I will be the sacrifice, so...
Please take care of this child...!

...

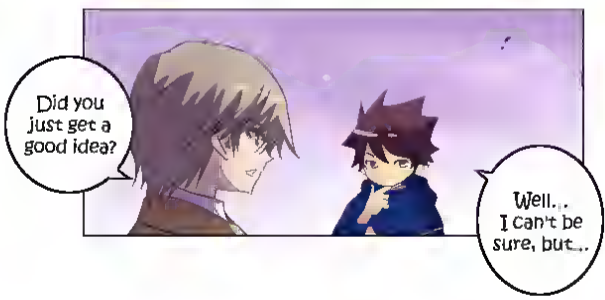
I understand your words. But...
Sister, wait a moment...

Faust.
Sister.

Can you leave...
All the decisions to me?

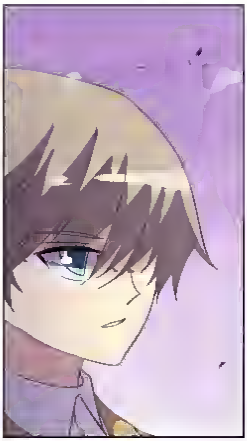
!
!

That's possible, right?
Yes, I don't recommend it...
But if the sacrifice gives consent, it is possible.
Si-un, what are you saying all of a sudden?

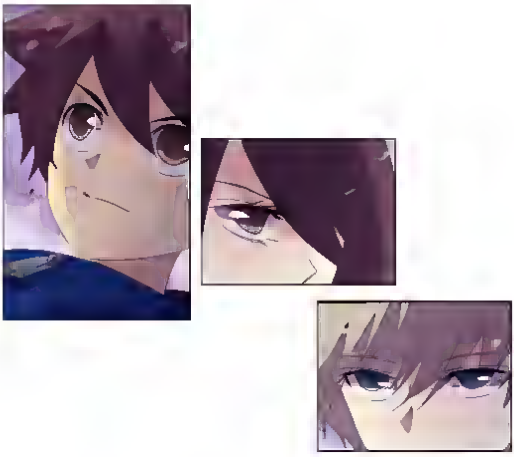


Did you just get a good idea?
Well... I can't be sure, but...

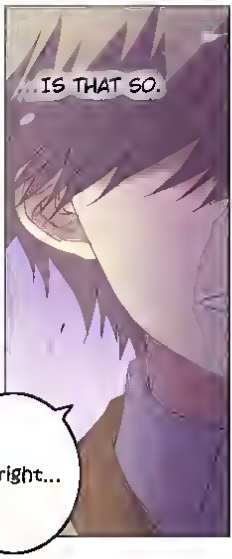
I think it's worth trying.



So...
Trust me and leave it all to me.

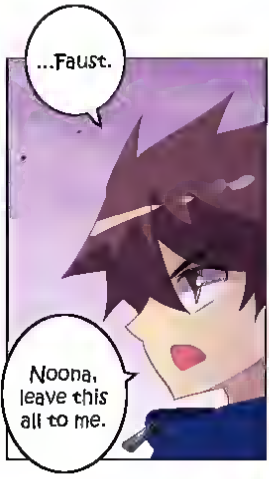


WHOOSH

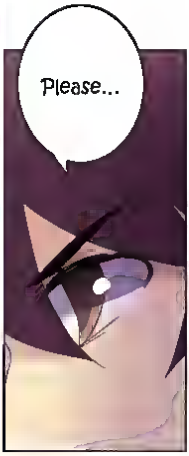


...IS THAT SO.
Alright...

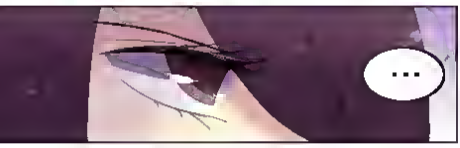
I, Faust...
Lucian Dire leave the decision to Cha Si-un.



...Faust.
Noona, leave this all to me.



Please...



...

...Alright.

If you're going this far...
I will leave this one to you.
Sister!

Then Si-un,
I suppose we should call Mephisto?
Yup...!
AS EXPECTED OF FAUST...

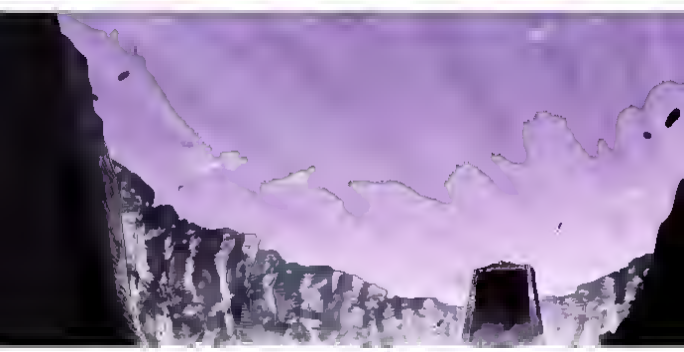
YOU ALREADY NOTICED...
WHAT I HAVE IN MIND...

MEPHISTO!!

MEPHISTO!!
COME OVER HERE!!
HM?

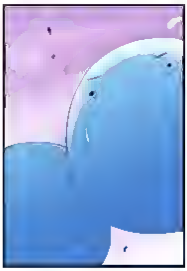
Oh!
Did they make a decision?

SPREAD

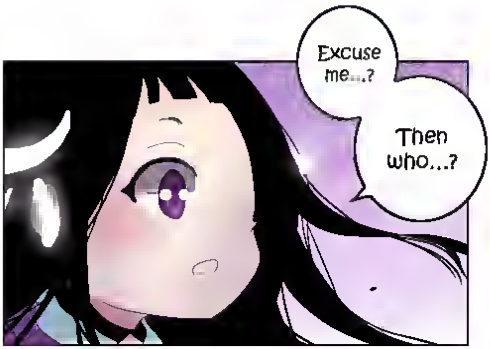


Have you decided on a soul to sacrifice on this gateway?
...Yes

Then will you offer the mother soul that volunteered earlier?



...No.



Excuse me...?
Then who...?

The soul offered to this gateway...
Is...
My own soul.

…?
WH…
WHAT…?!

...

...AS I THOUGHT

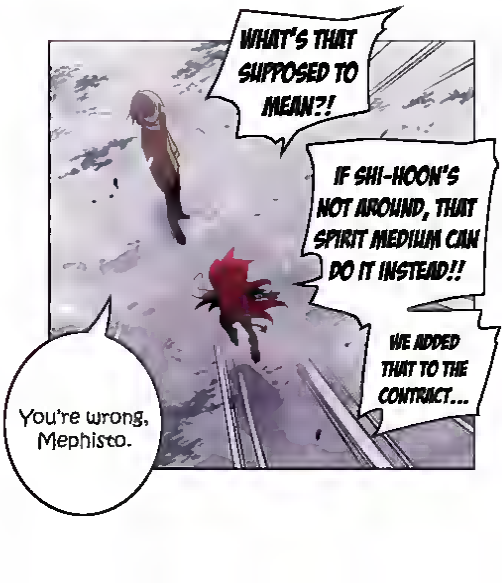
THAT STUPID IDIOT...

Mephisto, what are you going to do now?

What?
Shi-hoon said himself that he will be the offering.

That means that the judge of our contract is now gone.
If this goes on, our contract will be over before it even began.

What did you say?!

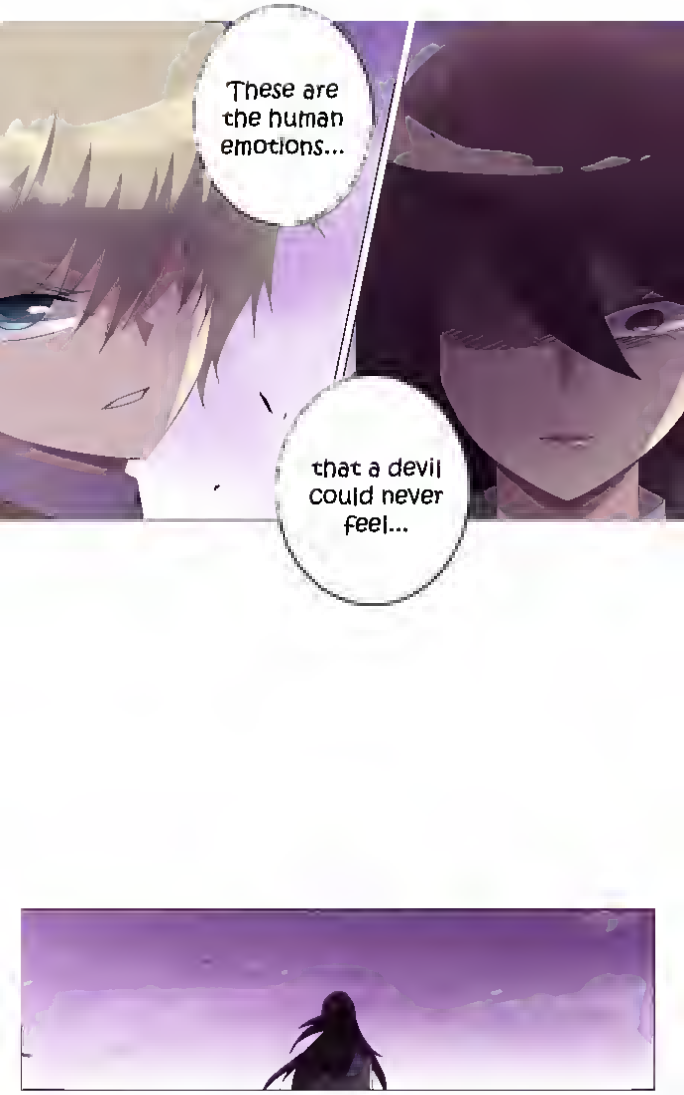


WHAT'S THAT SUPPOSED TO MEAN?!
IF SHI-HOON'S NOT AROUND, THAT SPIRIT MEDIUM CAN DO IT INSTEAD!!
WE ADDED THAT TO THE CONTRACT...
You're wrong, Mephisto.

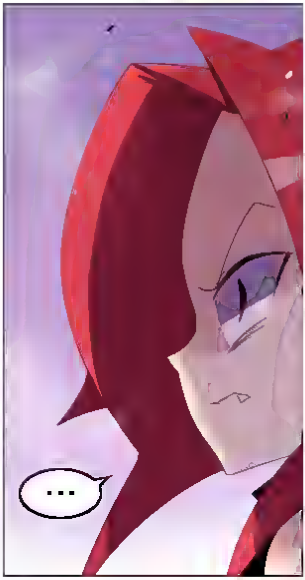
Part of it may have been her goal to find out where her parents are, but...
the main reason Miss Su-in came along with us to the Underworld
was to protect Shi-hoon.

If she were to lose Shi-hoon here...
Miss Su-in no longer has any reason to travel with us.

Actually, she might even lose all will to look for her parents, and no longer have any reason to go to the Underworld.
WHY WOULD SHE?!
I DON'T GET IT!
Because that's what humans are like.



These are the human emotions...
that a devil could never feel...

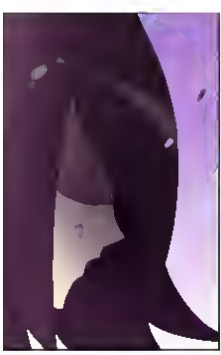


...

No matter how strict the rules that govern the gate are, they can't constrain the will of an archdevil.
If it's you, you should be able to save Shi-hoon somehow
Mephisto, didn't you wait 500 years for a chance to make a contract with me again?

Are you going to rescue Shi-hoon, travel to the Underworld together, and begin our contest of our contract?
Or will you end the contract here?

Which will you choose?



This place...

This is the altar of the gate.

WHO TOLD YOU TO OFFER YOURSELF?! HUH?!

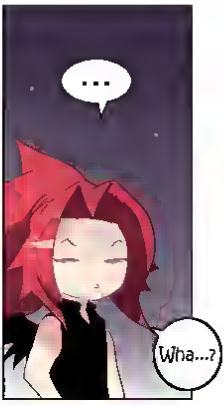
JEEZ, YOU...
Sorry, Mephisto...
But...

Even if it wasn't the mother soul...
I wouldn't want any soul to have to be sacrificed just so we could get past the gate...
And that's why I offered myself...
But I wasn't actually trying to become the offering, or anything.

It was a long shot, but...
I trusted that, if it was Mephisto, he might do something...



...
Wha...?

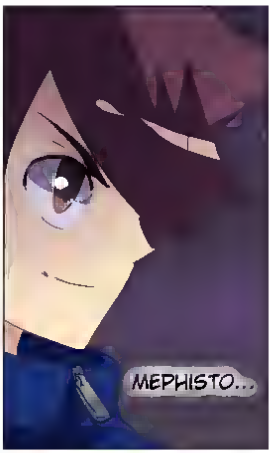
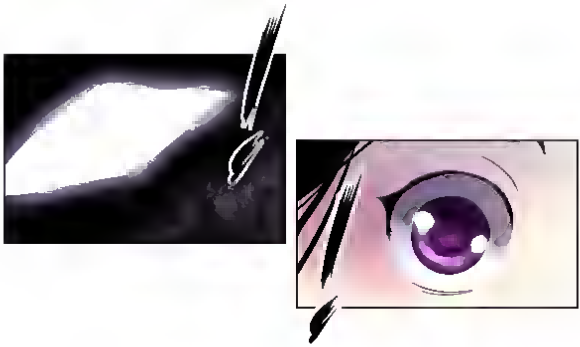
This is the first time I've ever met anyone like you!
KEKEKE
You're definitely different from Faust.
You're such a funny kid...

Well, a contract's a contract. but...
Cha Shi-hoon, I definitely wanna play around with you some more in the future.



MEPHISTO...

OI, GLOWING EYES!!
YOU THE WARDEN AROUND HERE?!
MEPHISTO-NIM, DID YOU CALL...?
WHAT DO YOU REQUIRE OF ME...
That's right, I just did.
I'll be taking Cha Shi-hoon.
And also, let all of us pass here.

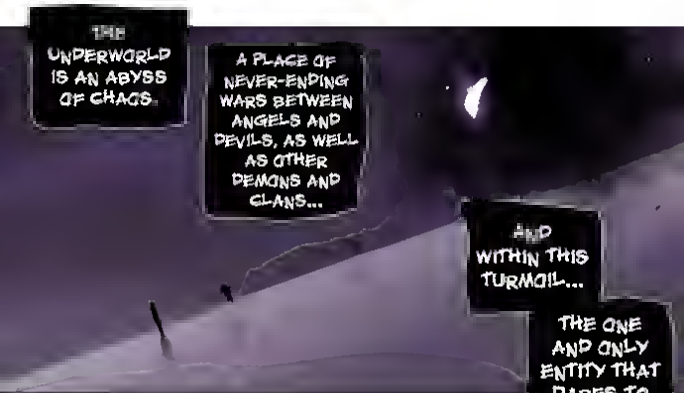


SUCH A REQUEST IS NOT ALLOWED WITHIN THE RULES OF THIS GATE
EVEN IF YOU ARE MEPHISTO-NIM...
I know it's not allowed.

But here I am, about to start an amusing game...
I wouldn't want it to be over already, now would I?!

However...
All the gates belong to 'He' who dominates over all devils. Mephisto-nim.
To disobey the rules of the gate would be to rebel against 'He' himself.

THAT'S RIGHT, MEPHISTO-NIM.



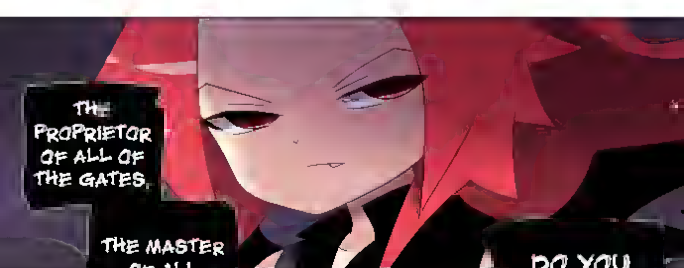
THE UNDERWORLD IS AN ABYSS OF CHAOS.

A PLACE OF NEVER-ENDING WARS BETWEEN ANGELS AND DEVILS, AS WELL AS OTHER DEMONS AND CLANS...

AND WITHIN THIS TURMOIL...

THE ONE AND ONLY ENTITY THAT DARES TO OPPOSE GOD...

AS WELL AS...



THE PROPRIETOR OF ALL OF THE GATES,

THE MASTER OF ALL ARCHDEVILS...

DO YOU INTEND TO DEFY HIM?

...!
THE PROPRIETOR... OF THE GATES...?!
MEPHISTO'S MASTER?!

CHUCKLE
YOU, GO AND TELL HIM WHAT I'M ABOUT TO SAY!
SNAP

I,
Mephistopheles,
will show
Him some very
entertaining
things from now
on.
So...
just let this by
this one time.

When Shi-hoon said he'd offer his soul, you weren't very surprised...

You already caught on what Si-un was planning, didn't you?
It's also the same for how you persuaded Mephisto just now...

...Yes.
I knew from the moment I left the decision to Shi-hoon
Even if Shi-hoon took the place as the chosen martyr, I believed I should respect his decision.

If that's the case ...
If you couldn't persuade Mephisto What were you going to do?!

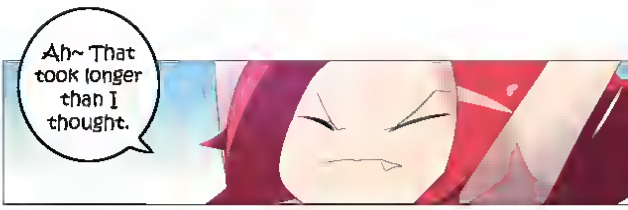
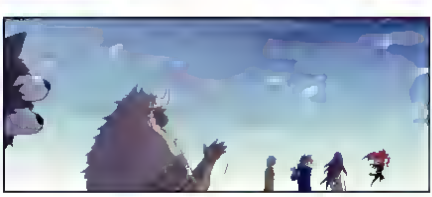
GOT A PROBLEM WITH THAT?! HUH?!!
Ah... No...



Ah~ That took longer than I thought.

Let's hurry and go faster~!
Who do you think we were waiting for to begin with...!



Phew~ We came quite far, but... There's still a lot to go.
That's true.
It's a bit tiring.

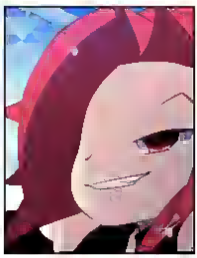
FLAP
FLAP
Kyakyakyakya. Humans sure are weak. Getting tired over just this much.
You damn devil. You're telsurely flying, aren't you?
If it seems unfair, you should fly too. Kukyakyakya kyakya~

Anyways... What's this, Faust?
Soul Point.

Soul Point?
It's a sign that indicates where the souls must gather.
They're spread out throughout the underworld. But, if you wait here, the Azrael will come and pick them up.

Azraels do not only maintain the law of order within the Underworld,
But also act as guides for souls as well.
Ooh.
Ahh.
If the souls follow them, they can walk the path of Re-incarnation.

The problem is...



If the Azrael come here, they'll come into contact with Mpehisto
Even when Mephisto came into the human world to find me, he went ahead and destroyed a Azrael base on the way
Now that the contract has begun, Mephisto will definitely try to fight with the Azrael.

Th-That would be bad... What should we do...?

Mephisto.

Come over here for a sec.
I have something to tell you
Huh? What, how annoying...

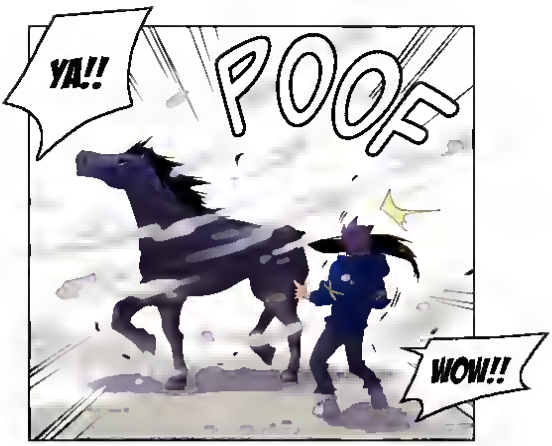
FLAP FLAP
What's up? Whaddya want to say. .
Mephisto.
Now that we're in the Underworld, the contract has really begun.

RIGHT!!
KUHAHAHAHAHAHA
THE DAY I RECEIVE FAUST'S SOUL AND BODY ISN'T FAR!!!
AH...
OKAY...
WOAH-
WOAH-

Anyways...
I'll give you some advantageous information...
Hmm?!

Mephisto, you're able to transform, right?
Huh? How did you know that?
I told you I read that book about Faust. In there, there were many scenes of you transforming.
Ah, is that right?

Then can you really transform into something like an animal?
For example, a horse or something...
That's a piece of cake~



YA!!
POOF
WOW!!

Wow~ Amazing!!
Then is something small as a mouse also possible?!
Of course!

POOF

MMHAHAHA
So whaddya think?!!
That's really incredible! Mephisto!!

Then...
Can you stay in this form for 3 days?

If you do, I'll give you a favorable amount of points.
?!

Basically...
If I stay in this form...

You'll give me 1000 points?
Yup.
I'm the judge, right?

1000 points is an extremely devastating amount of points.
Well I know that... But it's a pain. Staying in this form for 3 days.
I should just go around annoying any-one I see for points ..
If you stack point by point like that, there's no way you can amass 1000 points within 3 days~

More than anything, since you're against Faust...
This is a real advantage.

But, what does this form have anything to do with Faust?
Ara? You didn't know?
Faust is deathly scared of mice.

I think he was bitten by a mouse when he was young... Or something...
RE... REALLY?

Well,
Want to give it a try?

ACTUALLY HATES MICE

Alright alright!!
The reactions are fresh, so this is interesting!!
I just need to stay in this form, right?

Right, for 1000 points.
Also, you must stay in this form for 3 days.
If you release this form within that span, the deal is void. Understand?
Alright alright.

You better pack those 1000 points.
Meanwhile, I'll borrow your hood.

IT'S A SUCCESS, FAUST.

NOD
WELL DONE, SHI-HOON.

IF IT'S FOR 3 DAYS... WE CAN EASILY AVOID THE GAZE OF THE AZRAEL WITHIN THIS AREA.
UNTIL THEN, WE HAVE TO HIDE MEPHISTO SO HE DOESN'T COME INTO CONTACT WITH ANY AZRAEL.
THEN WE SHOULD BE ABLE TO PASS THROUGH THIS POINT SAFELY...

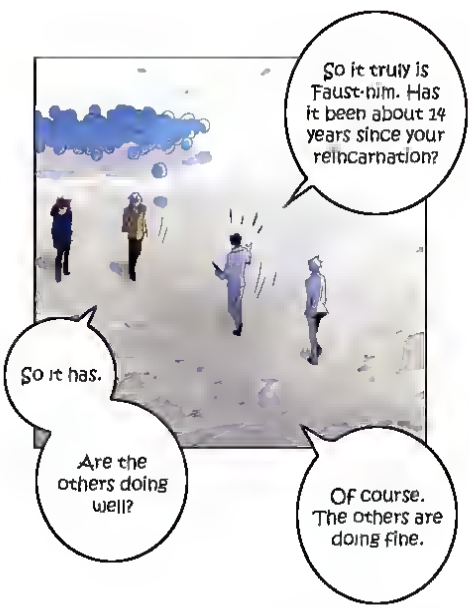
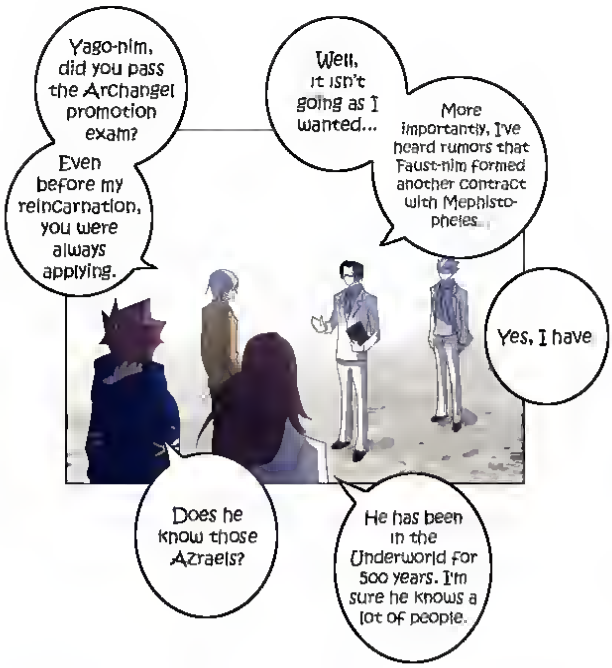
We are the ones in charge of guiding souls within this area.
Due to some business, it seems we were late.
I am Yago. This here is..
Banu.
Now let's see...
Mm... Quite a lot came.
On top of that, even humans...
Hm?

Could it be. .
Faust-nim?!
It has been a while, Yago-nim.



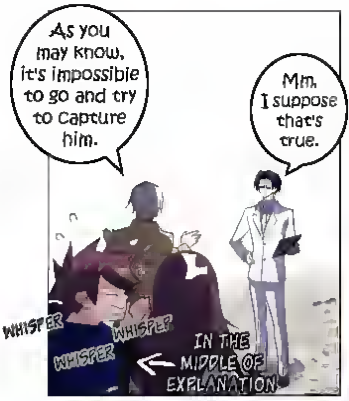
So it truly is Faust-nim. Has it been about 14 years since your reincarnation?
So it has.
Are the others doing well?
Of course. The others are doing fine.



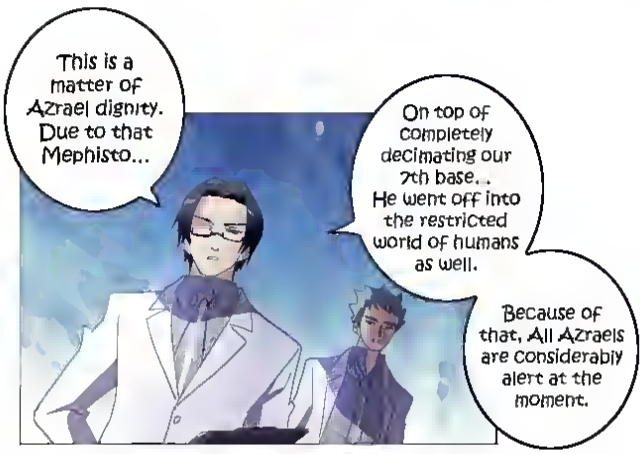
Yago-nim, did you pass the Archangel promotion exam?
Even before my reincarnation, you were always applying.
Well, it isn't going as I wanted...
More importantly, I've heard rumors that Faust-nim formed another contract with Mephisto-pheles...
Yes, I have
Does he know those Azraels?
He has been in the Underworld for 500 years. I'm sure he knows a lot of people.

Anyways...
It doesn't seem like the archdevil is travelling together with you lot.

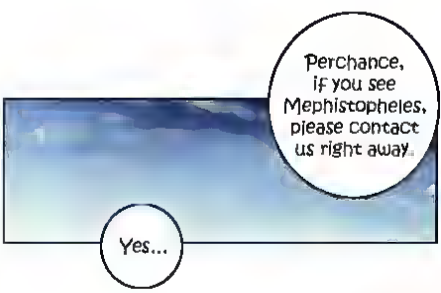
Now that I think about it, I haven't seen him for a whi...
Sister! All the souls are present!
COVER
CONFIRMED!!
INDIFFERENT
Is that so? That devil always seems to do as he pleases..



As you may know, it's impossible to go and try to capture him.
Mm. I suppose that's true.
WHISPER
WHISPER
WHISPER
IN THE MIDDLE OF EXPLANATION

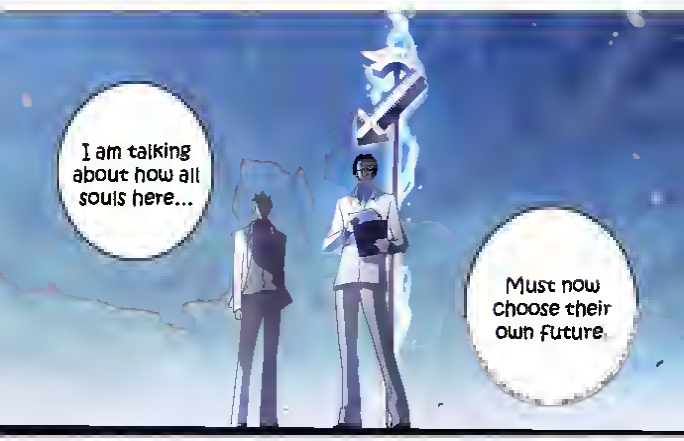


This is a matter of Azrael dignity. Due to that Mephisto...
On top of completely decimating our 7th base... He went off into the restricted world of humans as well.
Because of that, All Azraels are considerably alert at the moment.



Perchance, if you see Mephistopheles, please contact us right away.
Yes...

Now then, why don't we start our jobs?
FLAP



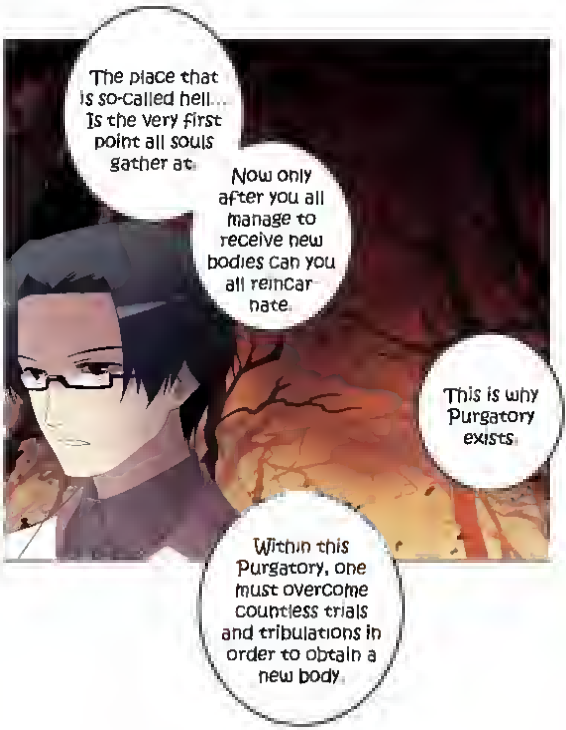
I am talking about how all souls here...
Must now choose their own future

SOUL CARTEL

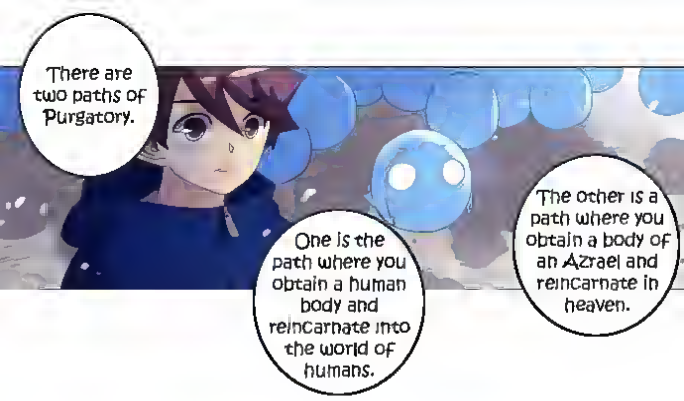
소울 카르텔

35

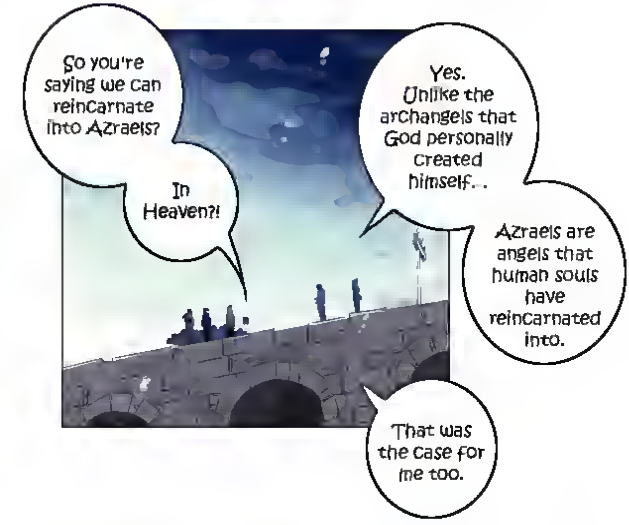
Choose...
Our future...?
Yes,
The Underworld isn't limited to this region.



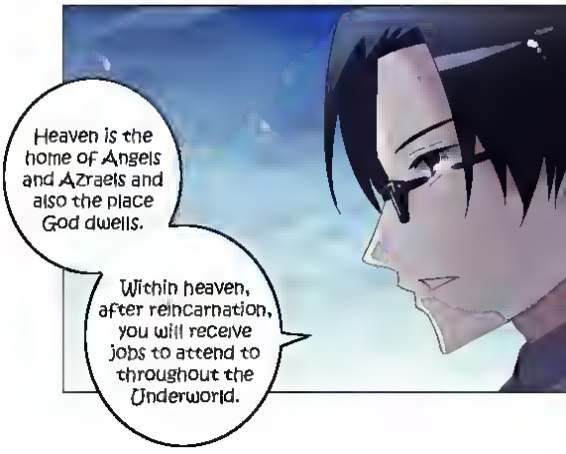
The place that is so-called hell... Is the very first point all souls gather at.
Now only after you all manage to receive new bodies can you all reincarnate.
This is why Purgatory exists.
Within this Purgatory, one must overcome countless trials and tribulations in order to obtain a new body.



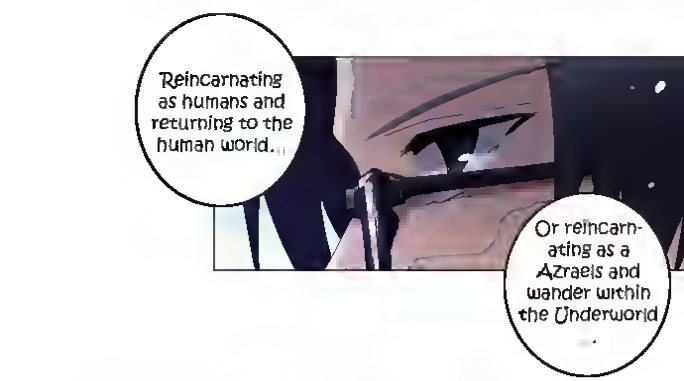
There are two paths of Purgatory.
One is the path where you obtain a human body and reincarnate into the world of humans.
The other is a path where you obtain a body of an Azrael and reincarnate in heaven.



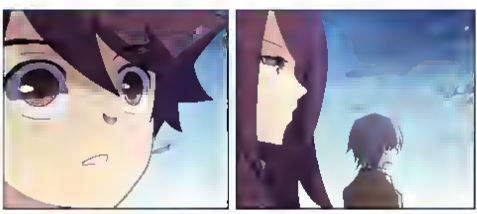
So you're saying we can reincarnate into Azraels?
In Heaven?!
Yes. Unlike the archangels that God personally created himself. .
Azraels are angels that human souls have reincarnated into.
That was the case for me too.

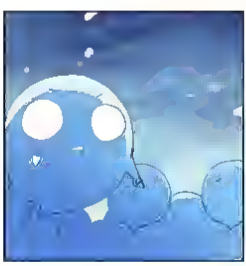


Heaven is the home of Angels and Azraels and also the place God dwells.
Within heaven, after reincarnation, you will receive jobs to attend to throughout the Underworld.

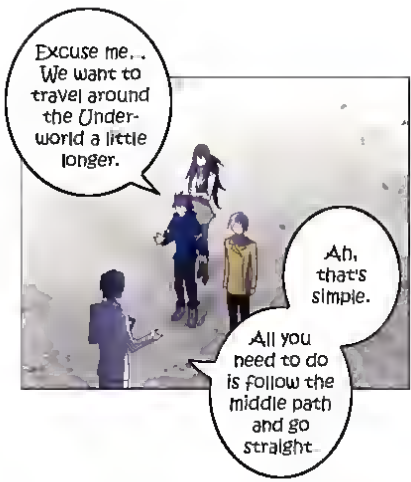


Reincarnating as humans and returning to the human world...
Or reincarnating as a Azraels and wander within the Underworld.





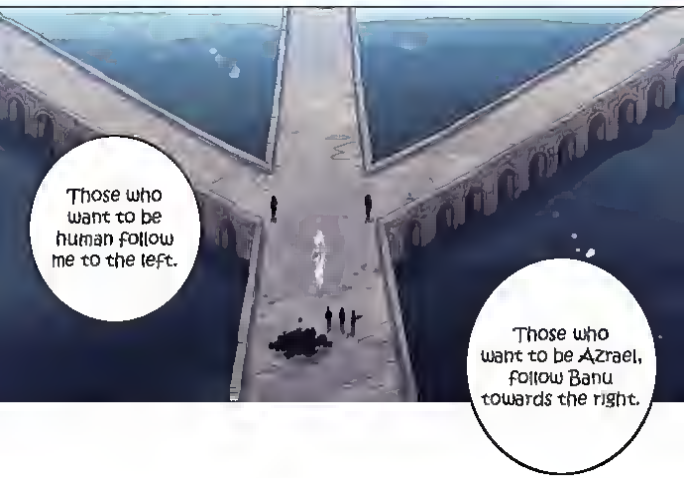
HUMAN OR AZRAEL?



Excuse me... We want to travel around the Underworld a little longer.
Ah, that's simple.
All you need to do is follow the middle path and go straight.

As you keep going, you will see the Azrael's 5th base.
You just need to get a pass issued there.
Faust-nim should know the procedures well.

Now, I believe I gave a sufficient explanation, correct?
It is the time to make your decision.



Those who want to be human follow me to the left.
Those who want to be Azrael, follow Banu towards the right.

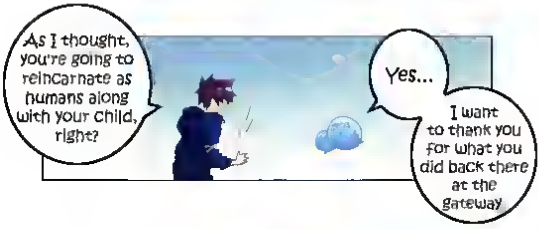
Come this way.
You should pass the trials and become a splendid Azrael.
WAAAAH~
I DON'T WANNAAAA~

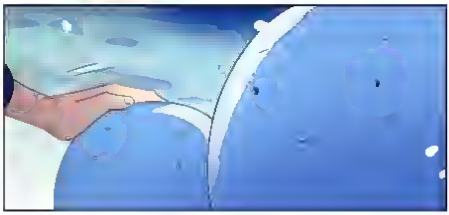
Up until the very end...
SERIOUSLY...
Excuse me.
Ah!



As I thought, you're going to reincarnate as humans along with your child, right?
Yes...
I want to thank you for what you did back there at the gateway

Next time, it would be great if we can meet up in the human world again.
After you reincarnate of course.

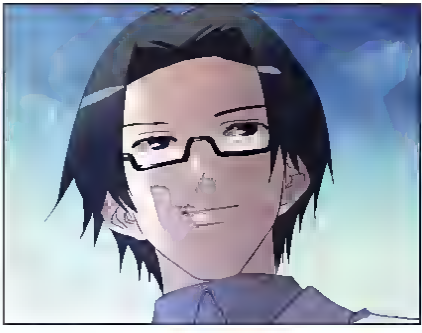
Take care.
I'll see you later.



...
Shi-hoon, let's depart as well.
Ok, Sister.

FAUST-NIM!

IT WOULD BE GREAT IF WE CAN MEET UP LATER AT AN AZRAEL BASE!
I'LL TREAT YOU NEXT TIME!
Yes, I'll look forward to it.



Wow~ Even knowing Azraels. You're amazing, Faust.
It's because I was in the Underworld for 500 years. It's nothing much.
No, that's what's amazing. I'm jealous.

THAN I THOUGHT

THE 5TH BASE OF AZRAEL.

So you're saying _.
Cha Shi-hoon, Cha Soo-in, and Faust... A total of three people, correct?
Yes...

Since you're all in the middle of traveling through the Underworld, you all want passes issued...

These days, the Underworld is quite dangerous, so_.
I'd like to recommend you quickly return.

No, we're...
I see.
Then that's fine.
ARE YOU TELLING US TO GO OR NOT...?

Faust-nim is quite a famous individual, but...
This your first time here
Yes, please take care of me as well.

You're the sole individual that won against the archdevil Mephisto-pheles.
In a human body at that..
That's old news.
BULGE

Recently, because of that archdevil everything is in an uproar
Please take caution.
I under-stand.

WHAT ARE YOU LOOKING AT?!

...

These are temporary passes from the 5th base.
If you want passes that allows entry within all the bases, please apply within the central building.
Yes, thank you very much.

If you use the door back there, you should be able to pass through.
I see...

Please take care.
Recently, Soul hunters have been rampant outside.
Yes?!
Hunters?
Yes, Demon hunters that mainly target souls.

Back in the past... They ran in fear the instant they saw us Azrael.
However these days, they don't even hesitate to attack.
On top of that, quite powerful and skilled ones have appeared giving us a hard time as well.

AH...
THAT SOUNDS LIKE THOSE GUYS I FOUGHT AT THE BAR ON THE WAY TO THE UNDERWORLD...

Thank you for the pass.
We will be careful.

GLOW
...

Those humans. Something is off about them...
ESPECIALLY THAT KID
Can't be. Even Faust-nim was with them. Don't worry about it.
Hm... Is that so...

I've been overly cautious recently because of that archdevil and those soul hunters.
We still haven't caught them yet. Those soul hunters...
TAP TAP
Right...

Although they're skilled, because they're guys that leave no trace behind ..
Already 20 guys have fallen to them... Since we don't even know their identities...
They're sly bastards.
Seriously. We have to catch them soon too...

TAP
Those Soul Hunters.

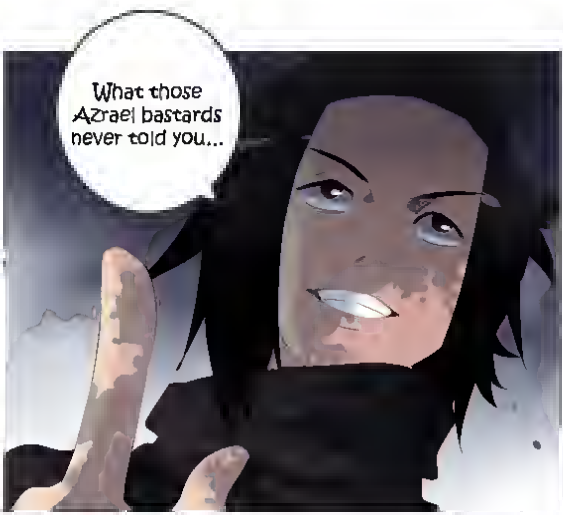
WHAT IN THE WORLD ARE THESE GUYS?!!
TREMBLE
TREMBLE

Hm?!

Ah, there's no reason to be shivering like that. I just took out a single Azrael, that's all.
I'm Ison.
I'm not a guy without proper manners.

I came just to inform you guys of something.



What those Azrael bastards never told you...

The true future of souls...
KUKUKU

KU KU KU KU KU
M... MISS...!!!

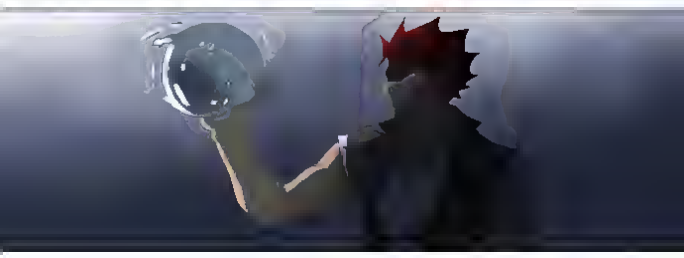
You already know since you heard it, right?
After souls go through trials within Purgatory... They can reincarnate as either humans or Azraels.
How-ever...
There is another part that they didn't tell you about.
Which is the fact that the souls who fail to pass the trials...
Have a near impossible chance of reincarnating.

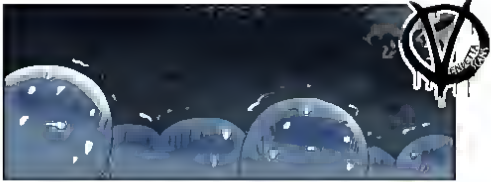
Either you keep taking the test or repent in prayer or die.
There are tons of guys who haven't earned their bodies after hundreds and thousands of years.
Just how laborious and painful that course is. . Those who have taken it know well.
This is why majority of the souls give up on the test and return to hell.
However the problem is . the fact that souls without bodies have no strength whatsoever. Surviving Hell in that state is impossible.

This is why...
Rather than the hard to obtain bodies created by god....
Illegal 'Manufactured bodies' started to be made.
Guys with bodies they made themselves started to appear.
A cursed body. .
And the soul that resides within. .
That is a 'demon'.

Basically,
Not only can you guys become humans and Azraels ..
RUSTLE
But demons as well.
RUSTLE

Lastly...
GRAB
There is one more thing that you guys can become.

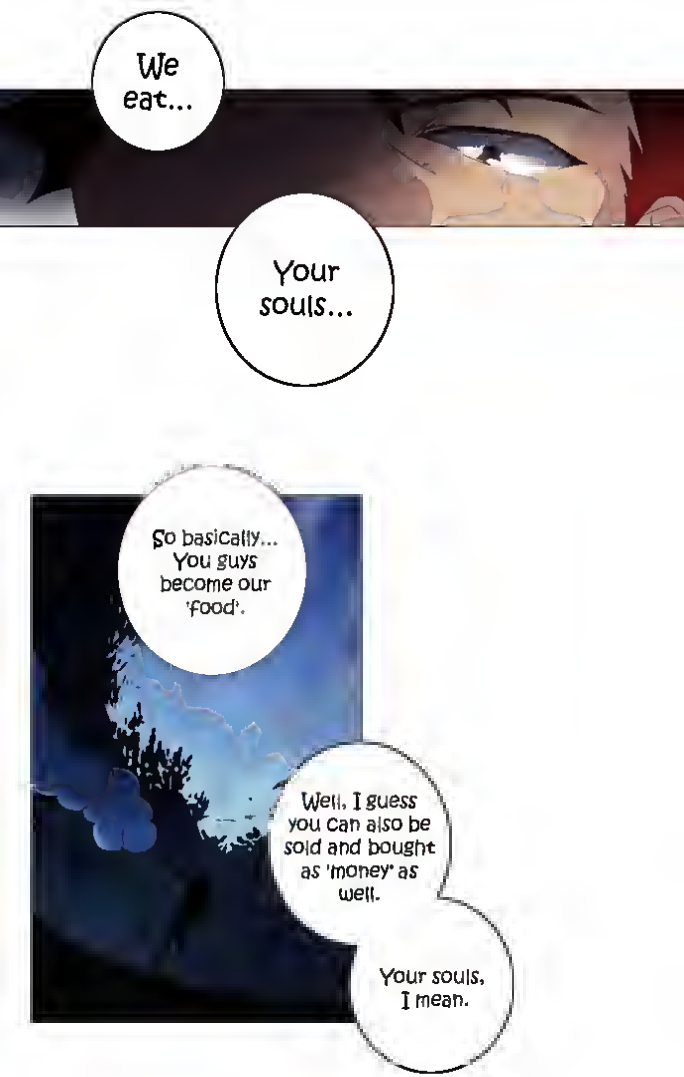




SUCK

GULP

Do you now under stand?
Us demon's manufactured bodies are incredibly unstable.
WIPE
That's a given.
Since there's no comparison with the perfect body god has created.
Therefore, in order for us demons to stabilize our inconvenient bodies...



We eat...
Your souls...
So basically... You guys become our 'food'.
Well, I guess you can also be sold and bought as 'money' as well.
Your souls, I mean.

This is...

Your true future.

It was bound to happen.

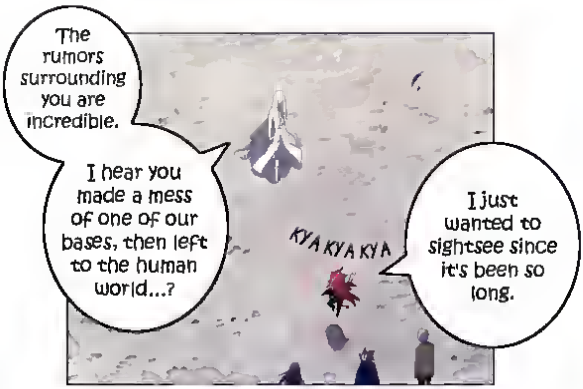
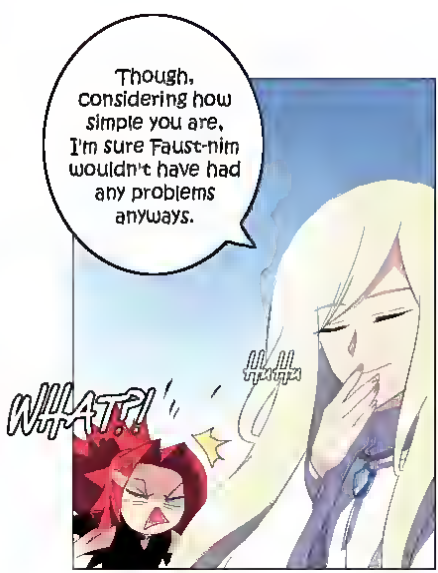
Will ya look at this?
What brings the noble archangel to personally come all the way down here?
This is all thanks to you, Mephisto.



The rumors surrounding you are incredible.
I hear you made a mess of one of our bases, then left to the human world...?
KYA KYA KYA
I just wanted to sightsee since it's been so long.

But seeing as Faust-nim appears to be uninjured, that sure is a relief.
Michael-nim...



Though, considering how simple you are, I'm sure Faust-nim wouldn't have had any problems anyways.
WHAT?!

As expected of Michael.
You were always arrogant even way back then...!
BOIL

YOU'RE JUST GOD'S BITCH!!!
SHOUT

MEPHISTO-PHELES! HOW DARE YOU SAY THOSE WORDS TO MICHAEL-NIM...!!

Now then.
What shall we do now, Mephisto?

If you're going to continue to make a commotion...

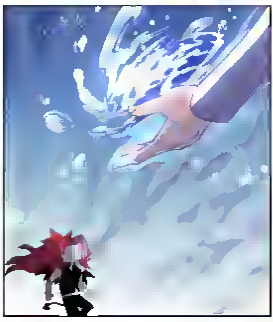
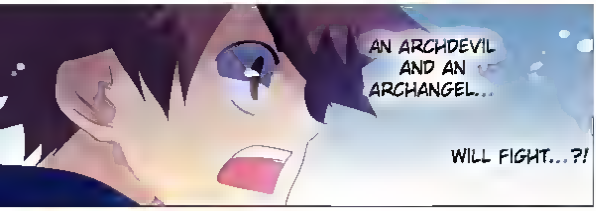
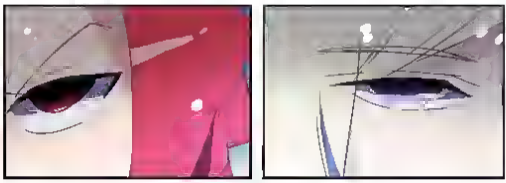
Though I don't feel up for it, I shall be your opponent.
WHOOSH

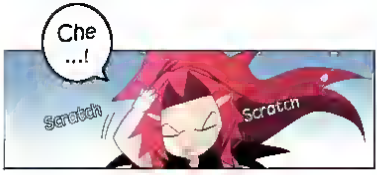




AN ARCHDEVIL
AND AN
ARCHANGEL...
WILL FIGHT...?!

RIGHT NOW IN THIS PLACE...?!





Che

Scratch

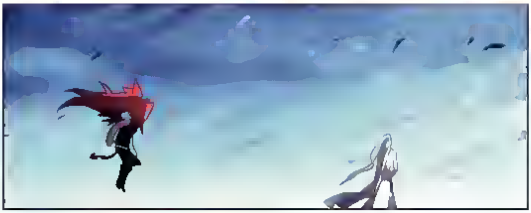
Forget it.
I don't want to fight against you.

!!
!!
EH?!

Mephisto, you, who loves to fight, chooses to avoid a bout?
Are you giving up?
WHISH
Who the hell's giving up?
I already know that fighting you will be freaking boring so I'm letting you go.
There'll be no winner or loser.
If there's no winner, it's no fun.

THERE WILL BE...
NO WINNER
OR LOSER...?



On top of that, all those Azraels will jump me at once, no?
I have to carry around those dead weight over there, so fighting is out of the question.
WE'RE DEAD WEIGHTS...?!

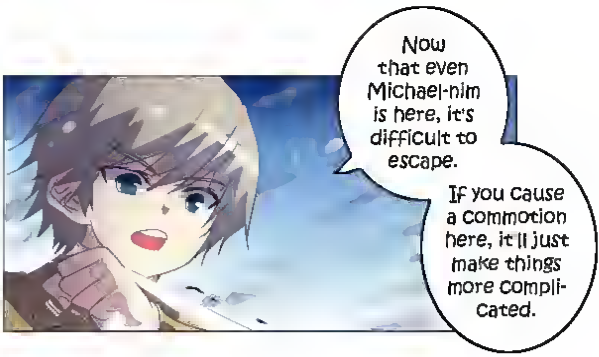
So what I'm saying is...
I'm not letting you go, rather, why don't we go outside and have a round?!
It would be troublesome if you pretended to have a match then quickly ran away.

FLINCH
Che, that Michael bastard.
He's sharp...
YOU WERE REALLY GOING TO RUN AWAY...?

Then it can't be helped.
I'll break through the front...

WHIISH

Just give up, Mephisto.



Now that even Michael-nim is here, it's difficult to escape.
If you cause a commotion here, it'll just make things more complicated.

This. God's Papyrus, was it?

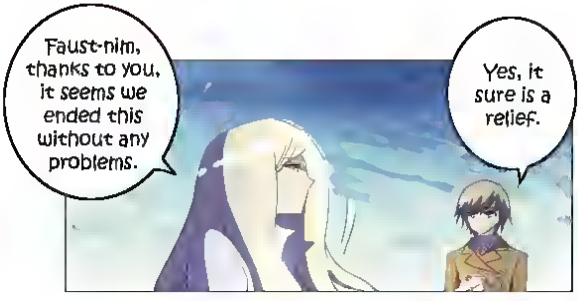
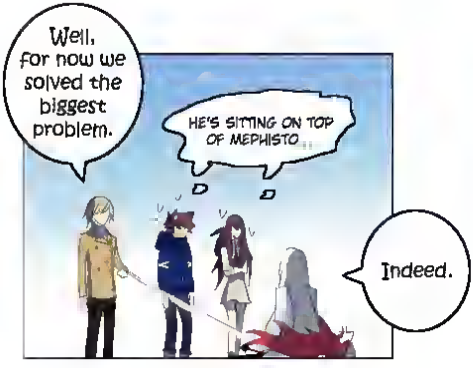
Mephisto, if you purposely utilize all your strength here, even those humans will be completely swept away.
That will be troublesome, won't it?
CHE!



Faust-nim, thanks to you, it seems we ended this without any problems.
Yes, it sure is a relief.



Well, for now we solved the biggest problem.
HE'S SITTING ON TOP OF MEPHISTO...
Indeed.

POUT~
Che,
I was caught
off guard...!

...

...

Why are we also imprisoned...?!
...

Though it couldn't be helped, we did try to sneak Mephisto in the base...
Once we clear this misunderstanding, we'll be fine.

Seriously, why was I captured?
I was going to pretend to fight that Michael bastard then at least escape by myself.
HMPH
By yourself?!

BUT WHY AM I THE ONLY ONE TIED OUT?! WHY ARE YOU GUYS FREE?!!
Mephisto, do you really think they'll just leave you be?

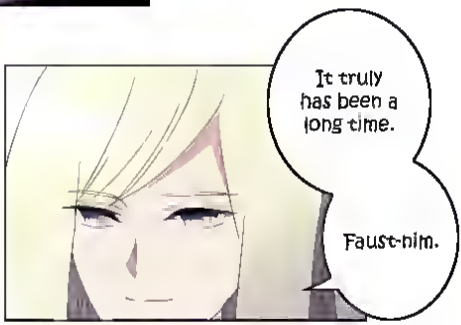
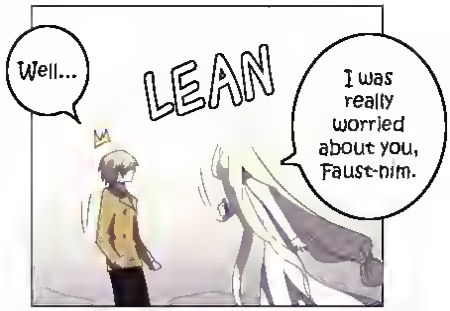
PLACE

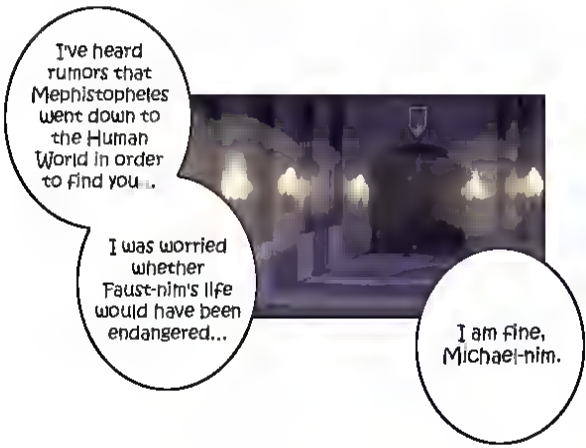


It truly has been a long time.
Faust-nim.

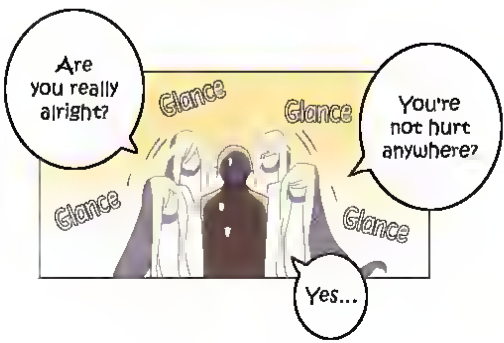
Michael-nim.
I am glad to see you're...



Well...
LEAN
I was really worried about you, Faust-nim.

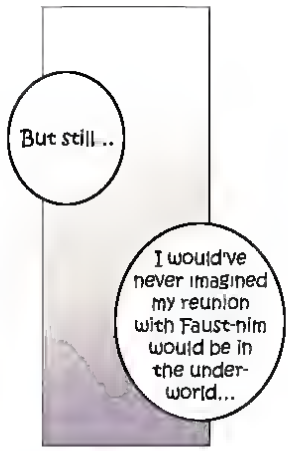


I've heard rumors that Mephistopheles went down to the Human World in order to find you.
I was worried whether Faust-nim's life would have been endangered...
I am fine, Michael-nim.



Are you really alright?
Glance
Glance
You're not hurt anywhere?
Glance
Glance
Yes...

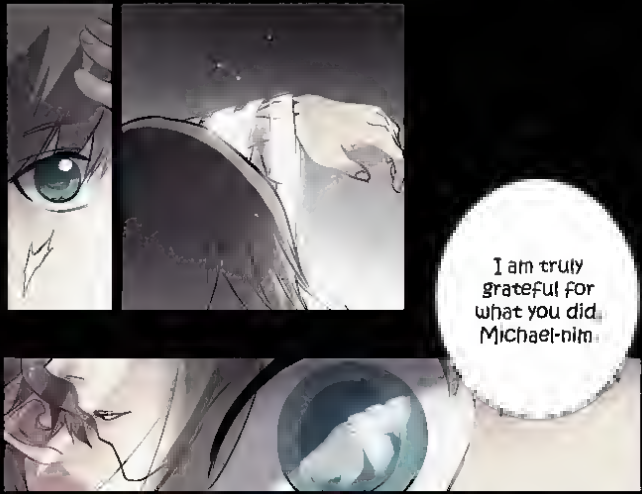
Mephisto is such a violent fellow, I fear what would happen if he went wild.
...I am fine.
Really.
It seems I have been a burden...
Michael-nim.



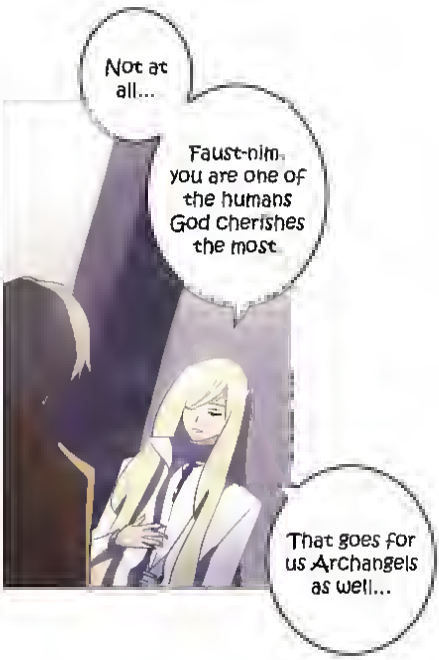
But still ..
I would've never imagined my reunion with Faust-him would be in the under-world...

Yes...
After I reincarnated, I suppose this is our 'Second' meeting.
!
So you were already aware.
Yes.

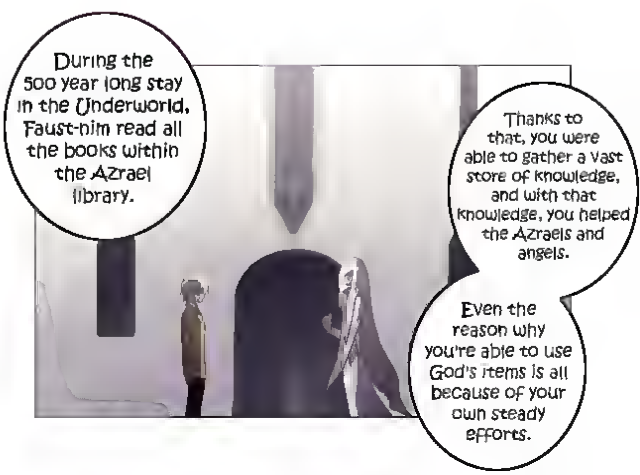
Back then...
Michael-nim found your way to my reincarnated self and delivered God's Papyrus to me... Then returned the memories of my previous life as well...



I am truly grateful for what you did, Michael-nim.

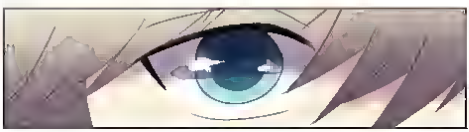


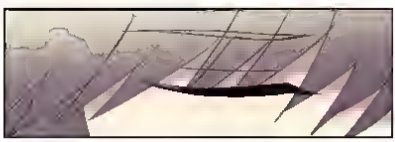
Not at all...
Faust-nim, you are one of the humans God cherishes the most.
That goes for us Archangels as well...



During the 500 year long stay in the Underworld, Faust-nim read all the books within the Azrael library.
Thanks to that, you were able to gather a vast store of knowledge, and with that knowledge, you helped the Azraels and angels.
Even the reason why you're able to use God's items is all because of your own steady efforts.

You are worthy of receiving God's blessing.
Faust-nim.



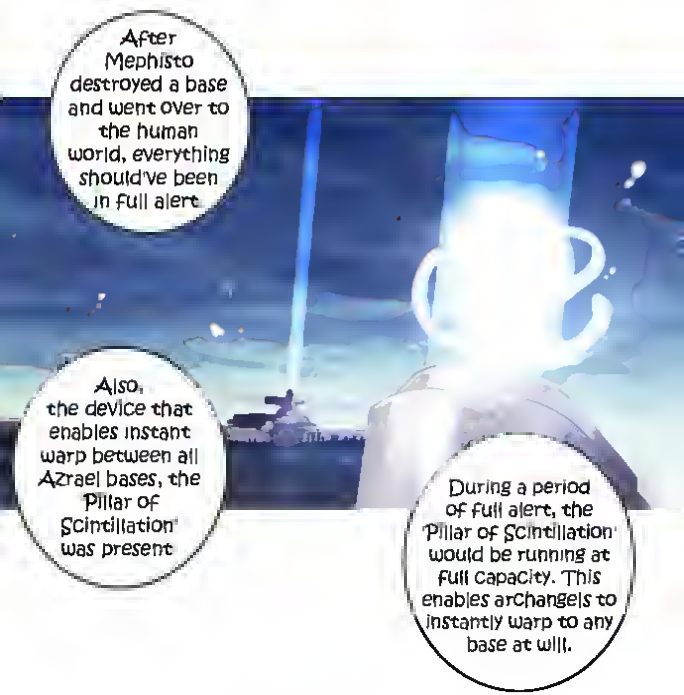


The reason why Mephisto hasn't taken my soul and body...
And how you allowed me to wander in heaven while I was still in my human body...
I know everything was for my sake.
It is truly an undeserved honor.
Furthermore... As Michael-nim leads all the AZraels and Angels as the head, I'm sure you were busy...
The fact that you especially took me into consideration... I know fully well.

I am eternally grateful.
Michael-nim...

But...
Back there, when I appeared, you didn't seem to be too surprised...
Not at all.
I really didn't know Michael-nim would come.

However,
I knew that out of the Archangels, one would definitely come.

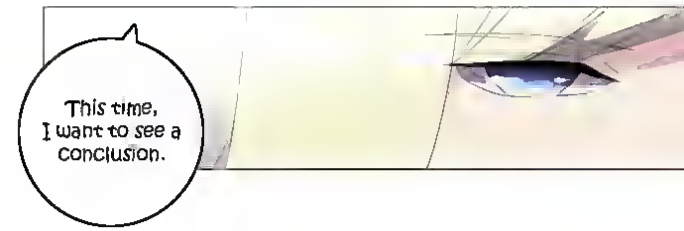


After Mephisto destroyed a base and went over to the human world, everything should've been in full alert
Also, the device that enables instant warp between all Azrael bases, the 'Pillar of Scintillation' was present
During a period of full alert, the 'Pillar of Scintillation' would be running at full capacity. This enables archangels to instantly warp to any base at will.

This meant if Mephisto caused a disturbance in any base, an Archangel would arrive right away.
I was waiting for the moment when an Archangel arrived in order to face Mephisto.
However... Since Michael-nim was already present, you arrived much faster than I imagined.
I see.
Then... You already guessed it would happen like this and...
Yes.
Since Mephisto does as he pleases, I never had plans to hide him to begin with.

My contract with Mephisto.

Because of that contract, we're going to travel around several places throughout the Underworld.
The contract and the difficult journey already leaves me in a weary state. Having to deal with the conflict between Mephisto and the angels on top of all that is ridiculous
The thought of us avoiding angels all because of Mephisto and continuing our journey is an impossibility in itself.

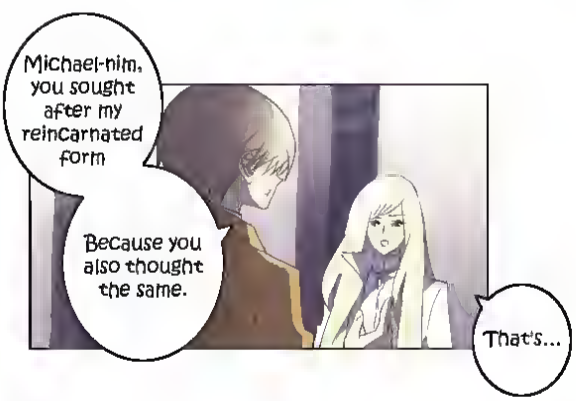


In order for us to continue our journey...
I have to resolve the matter of Mephisto first.

For the sake of that Archdevil...
For Faust-nim to go this far...
SIGH
Do not worry any further.
It can't be helped, but any incidents regarding Mephisto will be let go for now. I'm sure we'll have plenty of time to resolve everything afterwards.
After the judgment and contract is terminated- I'll send the humans and Faust-nim to the human world and...
Michael-nim, if you do that, Mephisto won't just stay still.

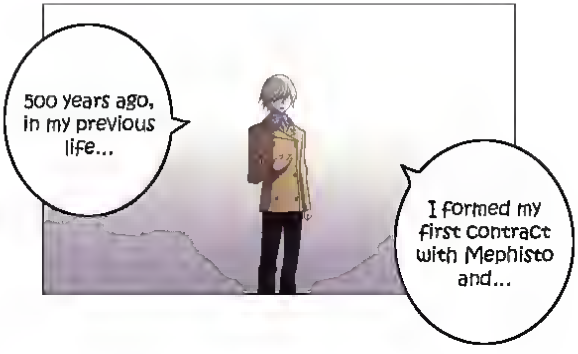
He will come looking for me again.

He's the guy that waited for my reincarnation for 500 years.
He will definitely come to see an end to all this.



Michael-nim, you sought after my reincarnated form
Because you also thought the same.
That's...

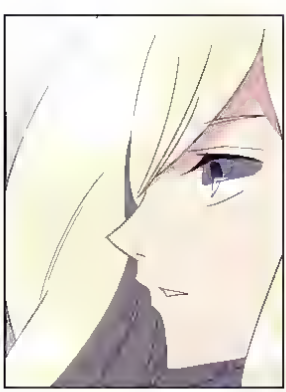
Michael-nim ...



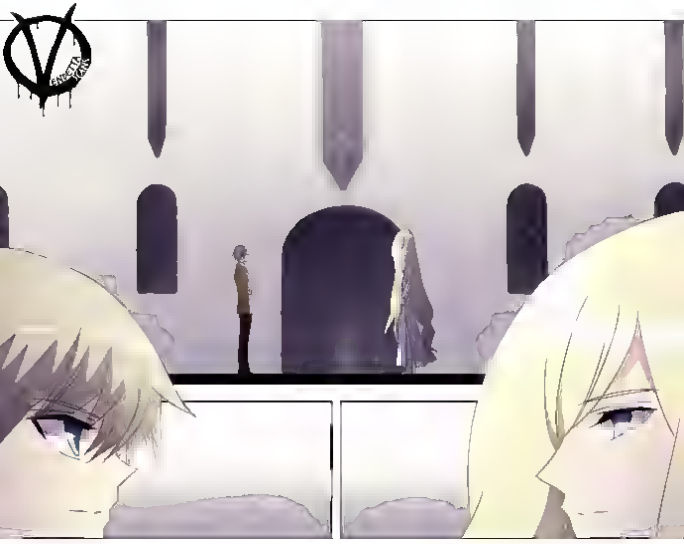
500 years ago, in my previous life...
I formed my first contract with Mephisto and...

And after being the victor, keeping my soul and body was impossible.

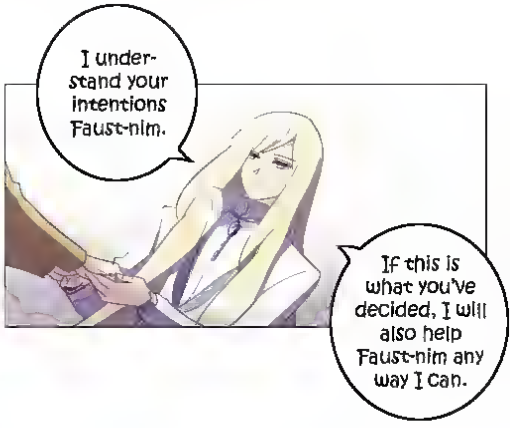
However now is different Unlike before...
I now have friends by my side.



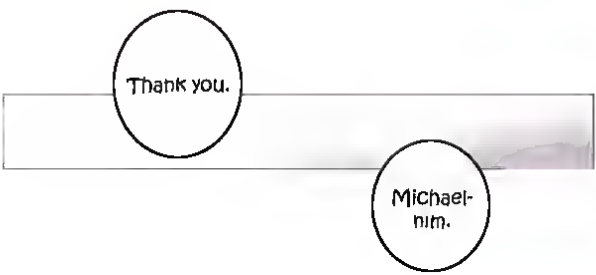
With this second contract, I will definitely rehabilitate Mephisto.
I believe that is the sole way...
for Mephisto to calmly accept the victor.



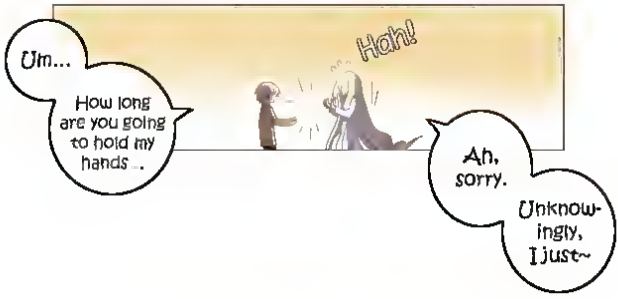
GRASP



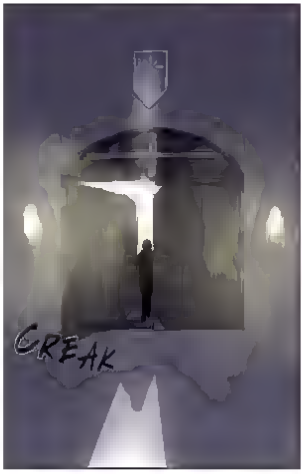
I under-stand your intentions Faust-nim.
If this is what you've decided, I will also help Faust-nim any way I can.



Thank you.
Michael-nim.



Um...
How long are you going to hold my hands..
Hah!
Ah, sorry.
Unknowingly, I just~

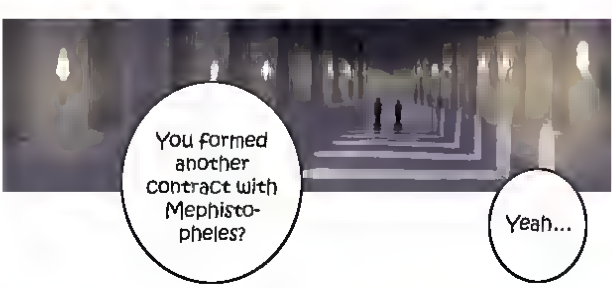


CREAK

GRASP

Faust.

Clack
Clack
Cherub



You formed another contract with Mephisto-pheles?
Yeah...

I thought of it as a possibility, but as I thought~
Anyways, you're one heck of a friend.
You're probably the only guy that formed a contract with an Archdevil twice

I had no choice in the matter.
As expected of Faust.
Well, I knew it would be like that, but...

Anyways, do you still read books all the time?
During the span of 500 years, you read every object that can be considered a book in the Azrael library.
I suppose.

History, philosophy, science, medicine..
The period of time when I could study all subjects without any worries ..
Even now I think of those moments as the happiest period of my life.
Hehe
Wah~ You're practically a creepy studybug ...

Cherub, when does our trials begin?
If it's fast, by the day after tomorrow?
You know well.
Your trials are set within two days.

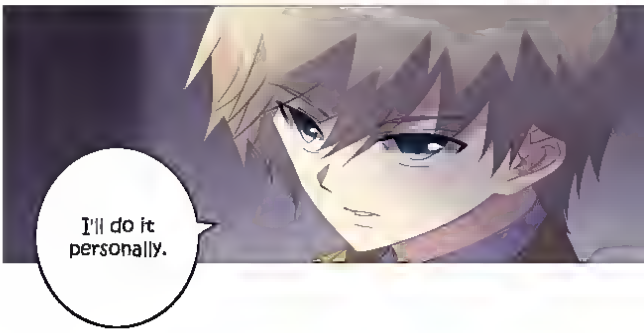
I'm sure everything will be decided within that trial.
There will be a long discussion regarding Mephistopheles.

Who's the prosecutor?
CLACK
CLACK

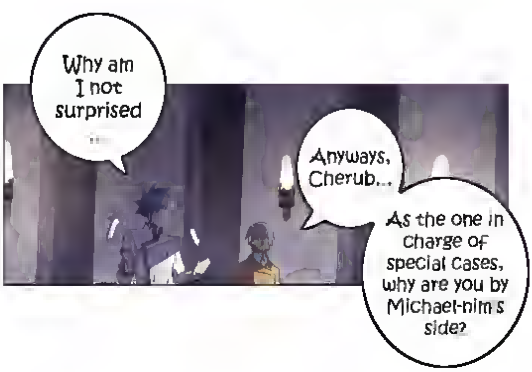
Prosecutor Phiier.

Phiier?
You don't know?
He's a touchy bastard that even pushes on light sins extending them into even larger sins.
It's best to be careful to not get caught.
...Right.

Who do you want as your attorney?
Want someone who's skilled?
Thanks, but I'll pass.



I'll do it personally.

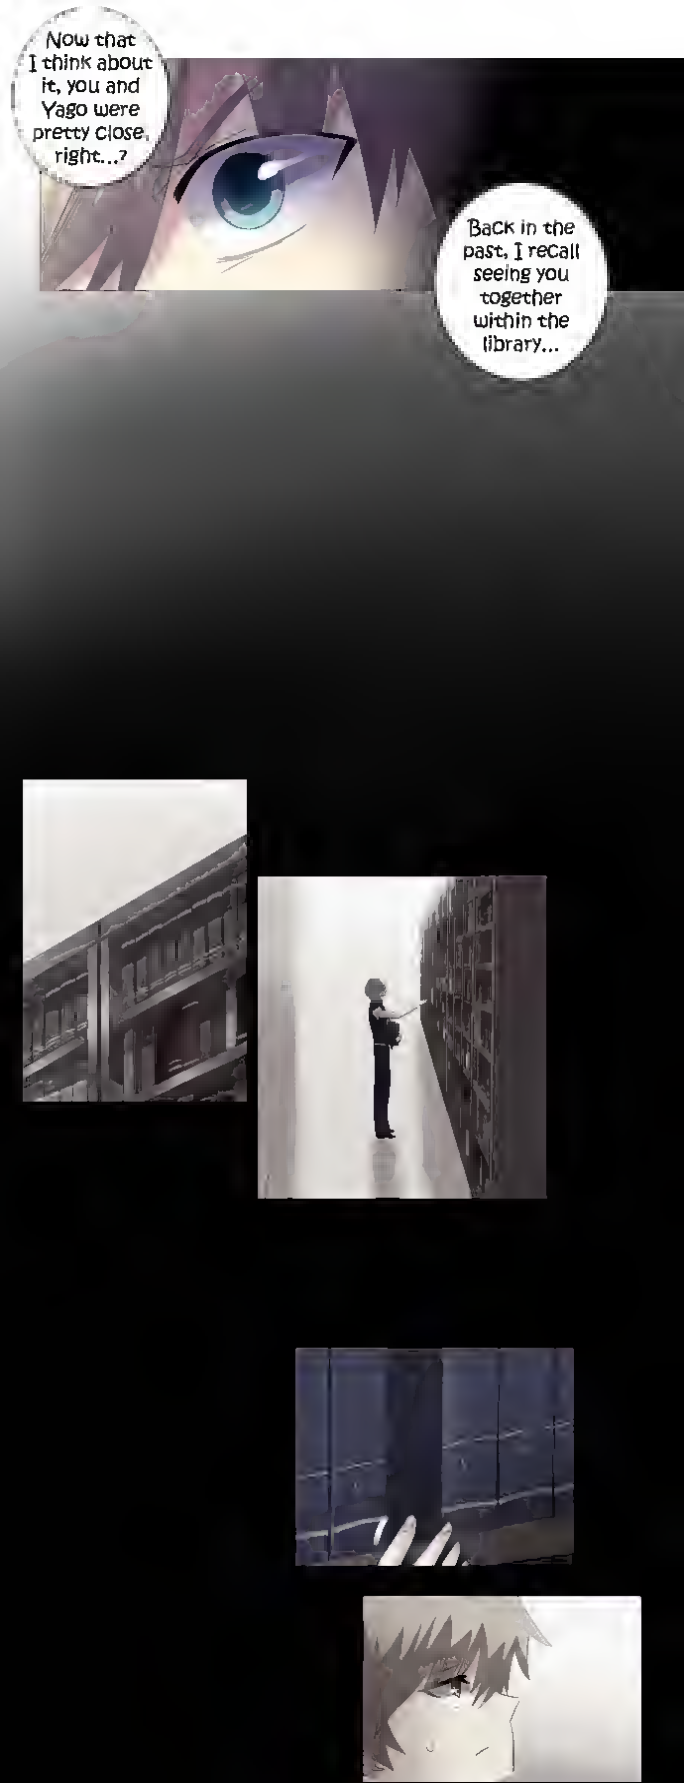


Why am I not surprised
...
Anyways, Cherub...
As the one in charge of special cases, why are you by Michael-nim's side?

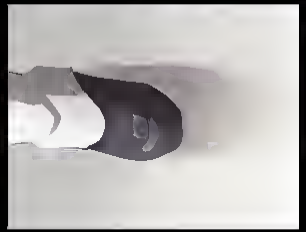
Mm, this tiresome case appeared ...
You should have heard... Those bastards that slaughter Azraels and steal vast amounts of human souls.
The Soul hunters...?
Right.
But these guys aren't your normal small fry.
Even competent Azraels are no match for them.
On top of being incredibly skilled, they leave no traces behind.
We still have yet to grasp even their numbers.
The reason Michael-nim is here isn't just because of Mephisto, but also because of this case.
...
There was an incident today as well.
Yago and Banu.

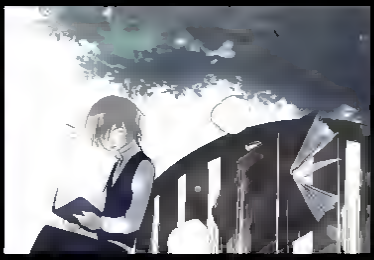
WHAT DID YOU SAY?!
YAGO AND BANH-NIM HAVE FALLEN?!
I'M SURE WE MET THIS AFTERNOON...
Right...
They fell while leading the souls.

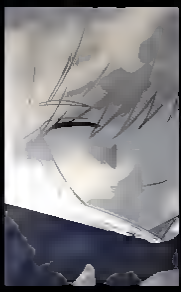
It was a fatal blow.
They also dragged away all the souls...



Now that I think about it, you and Yago were pretty close, right...?
Back in the past, I recall seeing you together within the library...







IT WOULD BE GREAT IF WE CAN MEET UP LATER AT AN AZRAEL BASE!
I'LL TREAT YOU NEXT TIME!
Yes. I'll look forward to it

YAGO-NIM...
HAS DIED...?!
CLENCH
WHAT IN THE WORLD IS GOING ON...?!

And the reincarnation of Faust, Lucian Dire will be prosecuted for this incident.

Then the court is in session.

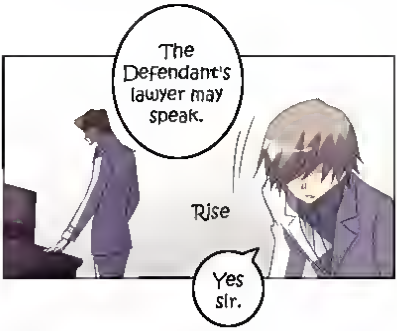
What the hell were you doing on the way here?
This much is a given for Archdevils
Enough enough.
If you read anymore the day will be over.
Under-stood.

Another defendant...
Cha shi hoon, Cha soo in, and Faust are guilty for being associated with a devil.

They are guilty for aiding Mephistopheles and helping him flee within the Human World.
Article 1 section 4 states in the Special laws for devils, that helping or being associated with a devil is forbidden.
Furthermore, forming a contract with a devil without God's permission is forbidden. This is stated in the Divine laws Article 2 section 2



The Defendant's lawyer may speak.

Then... We will now progress onto Cha Shi-hoon, Cha Soo-in, and Faust's sins.

The prosecutor's side.
Yes, I shall call in a witness.

This man has witnessed the moment...

SOUL CARTEL

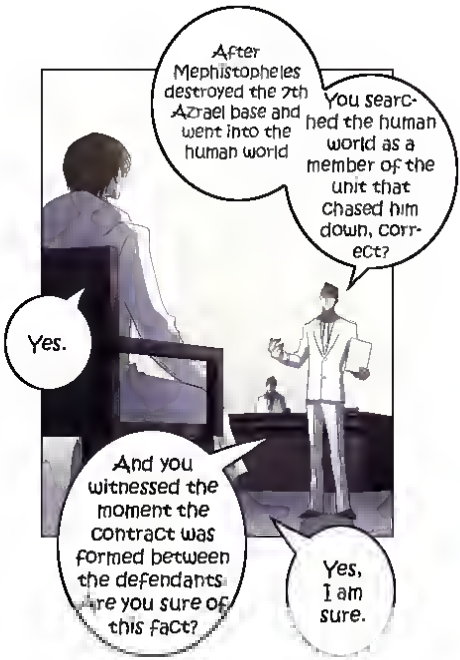
RAISE

... I swear to tell the truth and only the truth.

I ask the witness to answer the few questions I hold calmly and peace-fully.
RISE

First off, what section does the witness belong to?
I am part of the Pursuit section of the 7th Azrael base.
Ah, the very base Mephisto-pheles ruined.
Yes, that is correct.



After Mephistopheles destroyed the 7th Azrael base and went into the human world
You searched the human world as a member of the unit that chased him down, correct?
Yes.
And you witnessed the moment the contract was formed between the defendants. Are you sure of this fact?
Yes, I am sure.

Then please tell us what you witnessed.
Given a search order, my partner and I flew across a region when we discovered a pillar of light across the sky.

This was the light of a contract.

Within that light were three figures

I assume they were the defendants Faust, Cha Shi-Hoon, and Mephisto-pheles?
Yes, that is correct.
What did you do after you discovered them?
My partner and I immediately headed towards the rooftop this took place.
And the instant we found Mephistopheles ...

We readied ourselves for a fight.

But in the end you didn't fight.
Why is that?
Faust-nim ordered us not to fight and be gone.
He told us to bring reinforcements and that he would keep Mephisto there until we arrive.

I see...

It is written here that 10 minutes passed once reinforcements arrived.
Were the defendants present on the rooftop during this time?
No.
Nobody was there.

No one at all. .
Then what could the defendant Faust have been possibly thinking, sending the witness back?
One possible reason is that...

The defendants were already on the side of the devil.
!!
!!

The defendant intentionally hid the devil from us!
RAISE
This isn't a matter of going against God's will...
But rather the betrayal of God himself!!

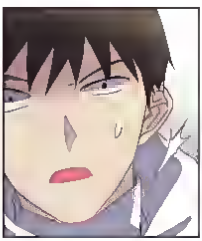
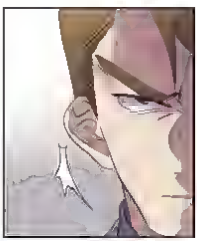
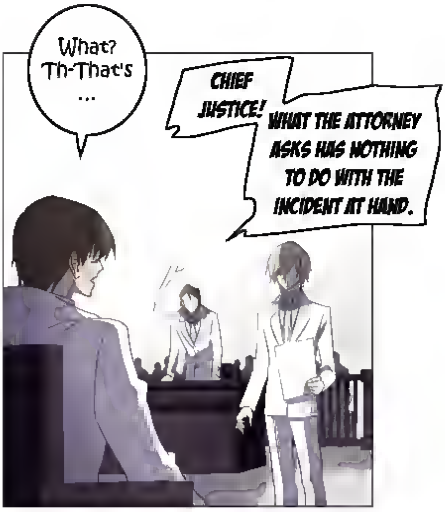
Attorney. Do you have any objections?
RISE
Yes.

I also have some questions to ask the witness.
Just a couple simple questions...

Is the witness strong?

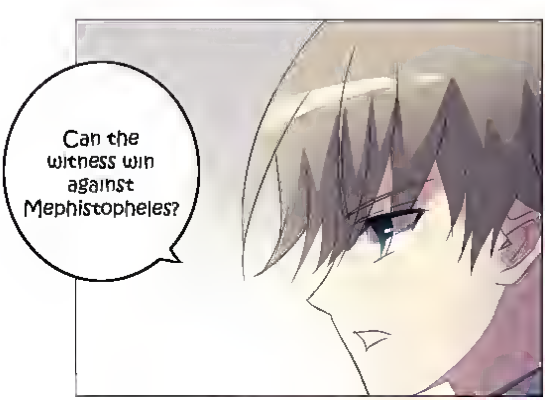






What? Th-That's ...
CHIEF JUSTICE! WHAT THE ATTORNEY ASKS HAS NOTHING TO DO WITH THE INCIDENT AT HAND.

I acknowledge this fact.
Please take caution.
Yes, then allow me to be a little more specific.



Can the witness win against Mephistopheles?

Hm?

HOW COULD THAT SPINELESS SKELETON POSSIBLY WIN AGAINST ME?!!

HNGH~
WHAM
WHAM

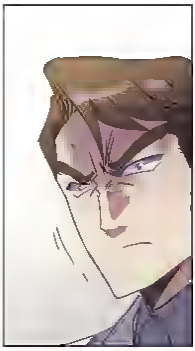
O-Of course I can't... I can't possibly win against him.
The witness does not need to answer such an unnecessary question.
Then here's my last question.

If the witness had ignored my orders and attacked Mephisto...

What do you think would have happened?



If this question proves difficult, allow me to answer.

What I hold in my hands is an old written report by a special task force member.

Mephisto's strength is also mentioned within this document.

If you look through this document, there is no record of anyone being able to subdue Mephisto.

Furthermore, when evaluating Mephisto's strength, there was an account that stated he has enough power to destroy the world of humans and still have strength leftover.

Had the witness fought Mephistopheles at the time...
Not only would the witness lose his life, but the Human world would have also faced severe damage.
Heh!

I cannot fathom the amount of humans able to reincarnate after such an incident.

So then I ask. .

Whether anyone within this room is capable of stopping Mephisto.

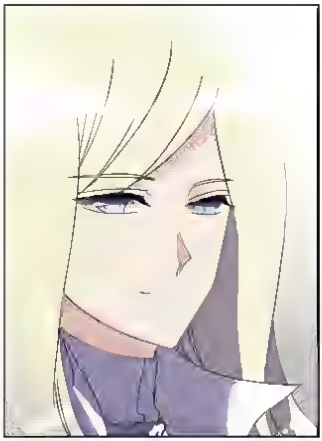
DEFENDANT! JURY!
BOTH OF YOU QUIET DOWN!!

Che!
What's the point of making such useless records anyways?
PLOP
Please take a look at the Azrael regulations
In the very front, it is written...

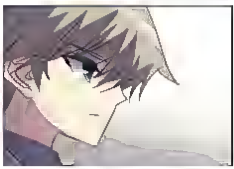
That Azrael must give utmost priority to protecting the souls of humans.
I was also aware of this rule at that time.
This is why I made the best decision that I could in that moment in order to protect both humans and Azrael.
I prevented Mphisto from fighting within the Human world and...
I quickly returned him to the Underworld.

CLENCH
In order to protect an innumerable amount of lives, there was no other choice to make.



LOWER

FAUST...

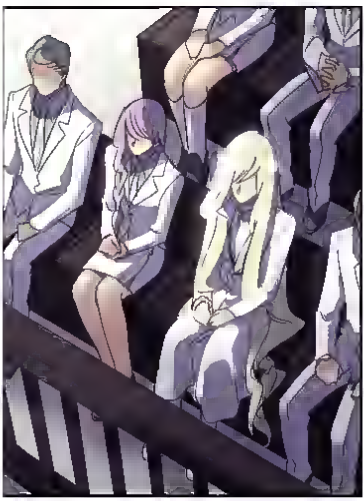


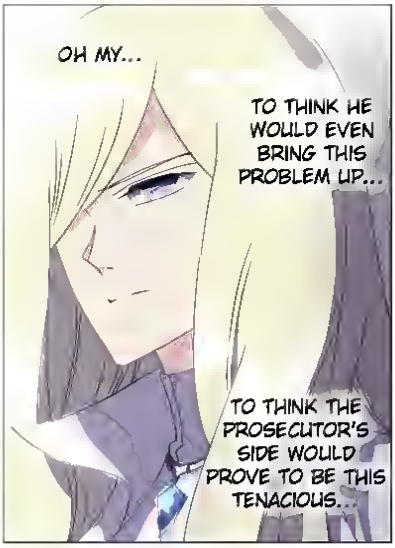
The attorney claims that he had no other choice but to form a contract with a devil.
STAND!
Even if that is the case, the fact that he has broken God's will still stands!
A contract with a devil unapproved by God.
That is an unforgivable crime that must never be committed.

A contract with the devil.
Out of all the actions that defile God, this is the worst possible sin that could be done.
There was also a preceding case with the same issue.
It is stated to punish anyone who forms a contract with a devil regardless of who it is.
Whatever situation or reason he states, this crime will never change.

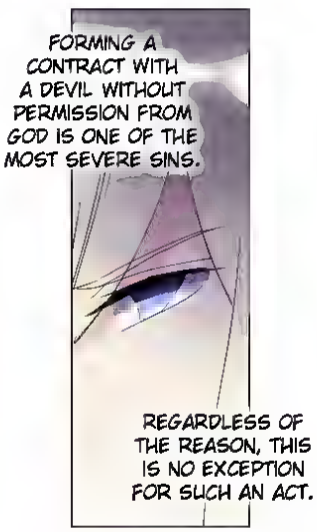
The sole exception, is to form a contract after given permission by God...
However, the attorney... Already stated that he arbitrarily formed a contract with a devil without consent.

GRIN
The defendant's crime still stands.



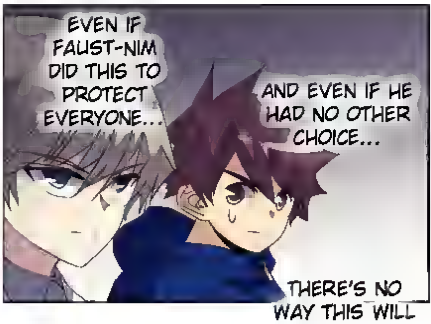


OH MY...
TO THINK HE WOULD EVEN BRING THIS PROBLEM UP...
TO THINK THE PROSECUTOR'S SIDE WOULD PROVE TO BE THIS TENACIOUS...



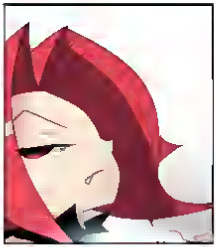
FORMING A CONTRACT WITH A DEVIL WITHOUT PERMISSION FROM GOD IS ONE OF THE MOST SEVERE SINS.
REGARDLESS OF THE REASON, THIS IS NO EXCEPTION FOR SUCH AN ACT.

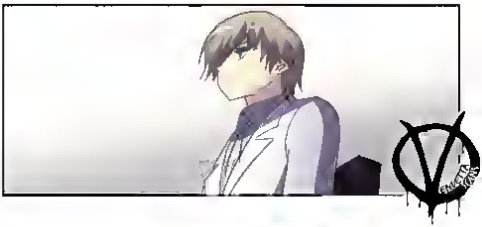
THE DEVIL'S CONTRACT.
THAT IN ITSELF... BASICALLY MEANS ONE THROWS ASIDE GOD AND SERVES THE DEVIL...
AN ABSOLUTE TABOO...



WHAT WE NEED NOW IS... PROOF THAT GOD GRANTED PERMISSION FOR THIS CONTRACT.

IF... WE CAN'T PROVE THAT WE RECEIVED PERMISSION...
WE'LL BE SENTENCED GUILTY.
AND GIVEN THE HEAVIEST PUNISHMENT, INDEFINITE IMPRISONMENT...
ETERNALLY... UNABLE TO ESCAPE..



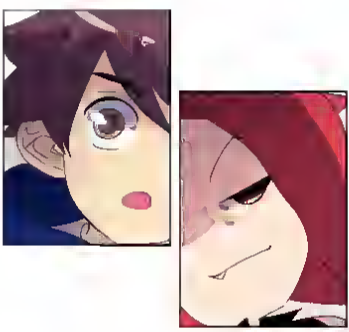


Attorney, do you have any rebuttals against this?
RAISE
Yes, Chief Justice.
Right now, the prosecuting side claimed I did not receive permission from God and formed a contract with a devil.
If this is true, then it is truly a grave sin.

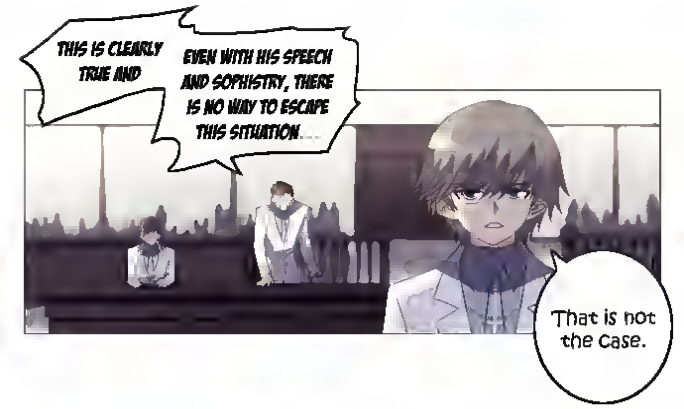
However, that is all but a claim.
Only if it is the case, then we are guilty.

However, not only did we not go against God's will...
We didn't even violate any rules.

The truth is completely different from the prosecutor's claims.

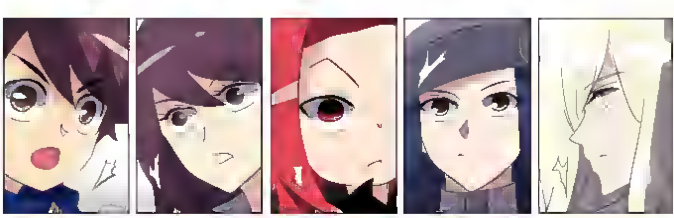


WHAT ARE YOU SAYING?!
THE DEFENDANT MOST DEFINITELY FORMED A CONTRACT WITH A DEVIL WITHOUT GOD'S PERMISSION!



THIS IS CLEARLY TRUE AND
EVEN WITH HIS SPEECH AND SOPHISTRY, THERE IS NO WAY TO ESCAPE THIS SITUATION.....
That is not the case.

I shall present proof.



P-PROOF?!
PROOF HE WAS GRANTED PERMISSION BY GOD...?!
Allow me to show you all.
Proof that will attest to our innocence...
That we received God's permission... Tangible and clear 'physical proof'.

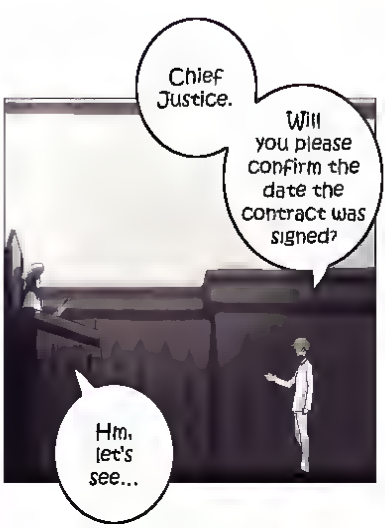
That is not the case.

The date is wrong.



Chief Justice.

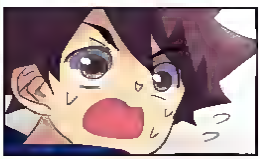
THIS IS...?!

When was it signed?
Th-That's...

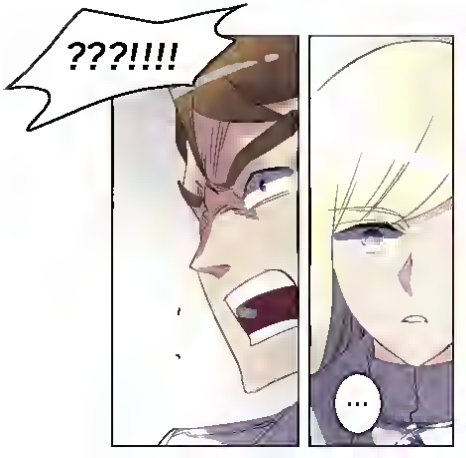
500 years...
Ago...

WHAA...!!!



Chatter
Chatter
Chatter

H-HOW CAN SOMETHING SO PREPOSTEROUS BE...?!
That is the truth.
The contract from 500 years back and the contract enacted in the present.
The contract surely has been done twice.
However, according to the contract, there has been only a single contract which was carried out in my previous life.



500 years ago, I signed a contract with Mephisto in my previous life.

Of course, I received permission from God,

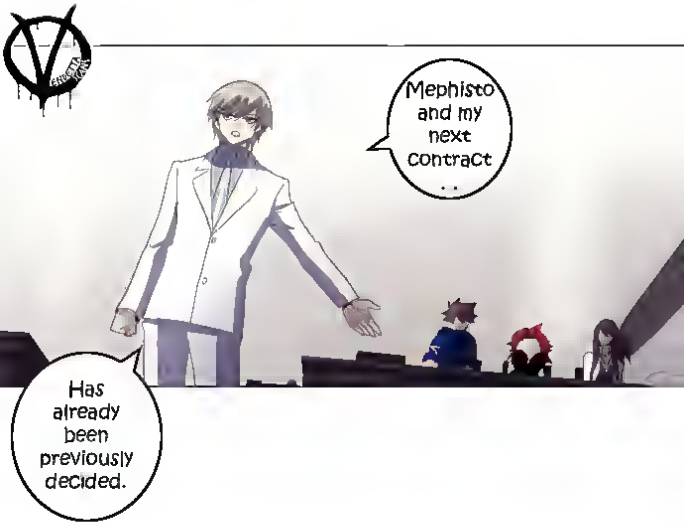
And he personally took place as both witness and judge.

Though all of you know the results, I barely... managed to prevent Mephisto from taking my body and soul.

The contract should have ended with my death.

However, Mephisto did not acknowledge his defeat.

He was planning to have a rematch by any means possible.
So that he himself would be the victor.
In the end...
This meant that escaping from Mephisto... was impossible.
This is... one of the largest reasons why...
I want to rehabilitate Mephisto.



The problem is the contract.

A contract that is enacted for eternity is very special.

Unlike normal contracts which demons and devils use to place the body or other personal belongings at stake...

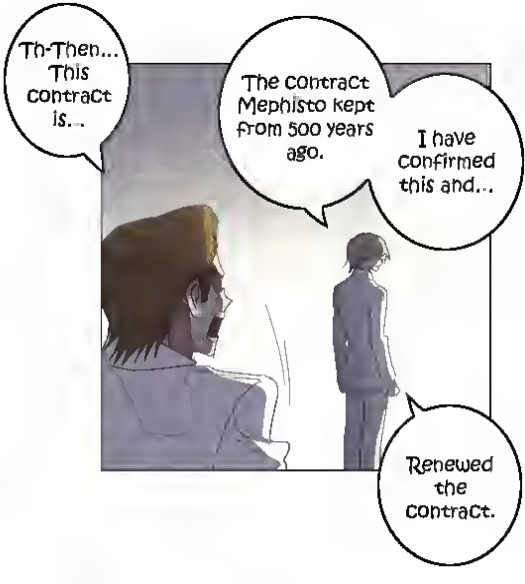
This special contract allows even souls to be placed as a wager.

The 'Soul Cartel' Contract is such a rare contract that since the dawn of the Underworld, there has only been a mere five in existence.

This is the reason why even after the contract ended...

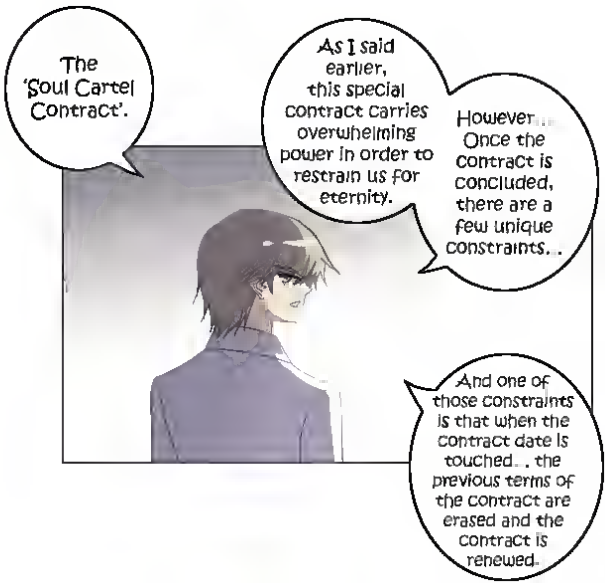
Mephisto still possessed the contract from 500 years back.

So that when I reincarnated, I would renew the contract 'betting my own soul'.

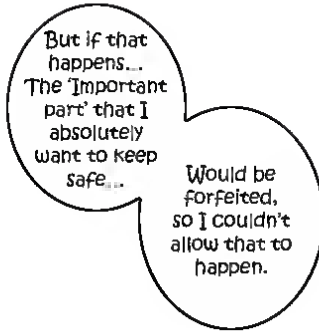


Th-Then... This contract is...
The contract Mephisto kept from 500 years ago.
I have confirmed this and...
Renewed the contract.

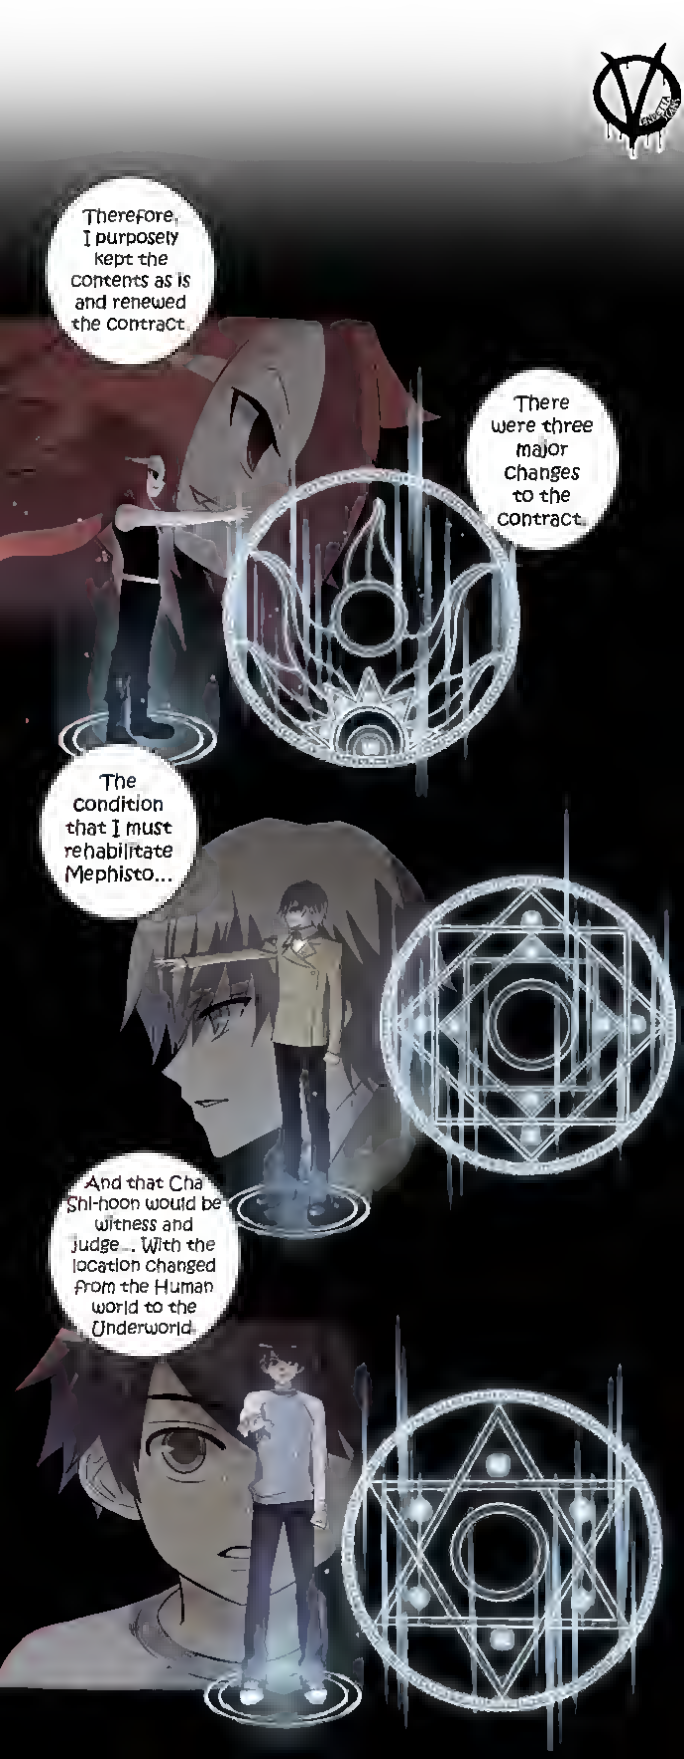
W-WAIT!!
IF YOU RENEWED THE CONTRACT, WHY IS THE DATE FROM 500 YEARS AGO EXACTLY THE SAME....?



The 'Soul Cartel Contract'.
As I said earlier, this special contract carries overwhelming power in order to restrain us for eternity.
However... Once the contract is concluded, there are a few unique constraints...
And one of those constraints is that when the contract date is touched... the previous terms of the contract are erased and the contract is renewed.



But if that happens... The 'Important part' that I absolutely want to keep safe...
Would be forfeited, so I couldn't allow that to happen.

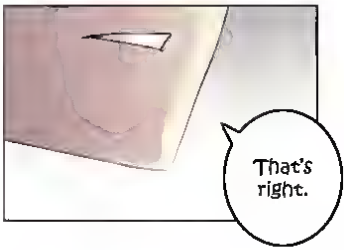


Therefore, I purposely kept the contents as is and renewed the contract.
There were three major changes to the contract.
The condition that I must rehabilitate Mephisto...
And that Cha Shi-hoon would be witness and judge... With the location changed from the Human world to the Underworld.

Since there would be no problem even if the contract date is left alone...

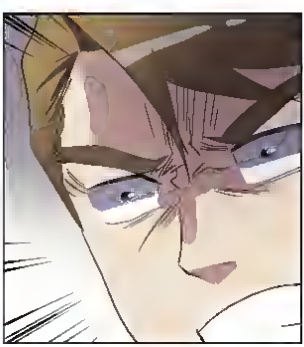
The contract was signed

This is the very reason why... The contract date is left unchanged from 500 years ago.



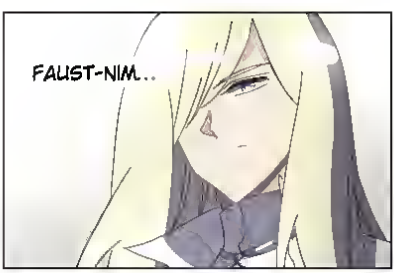
That's right.

Proof that God approved the contract with the devil ..
'God's signature'.

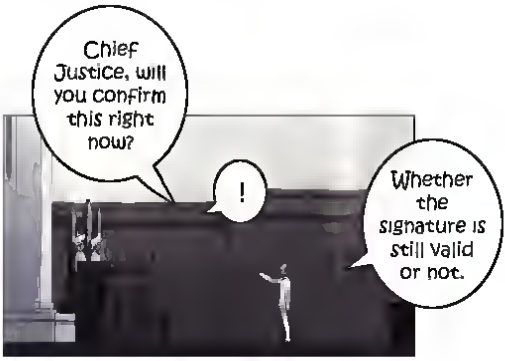


He is the almighty God.
Once the contract ended, the signature was still valid.
That point is still valid even now, while the trial is underway.
And if... God's signature is still valid now...

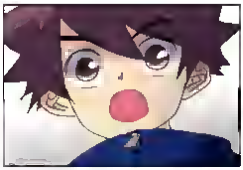
Then it's the same as if God granted us 'permission' for a contract.

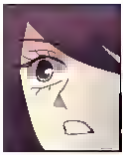


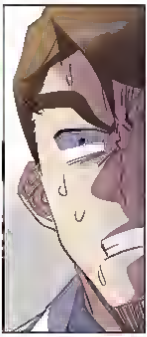
FAUST-NIM...



IF 'GOD'S SIGNATURE' IS STILL VALID, THEN THEY'RE INNOCENT... IF NOT THEY'RE GUILTY...







God's signature...
Is still valid...

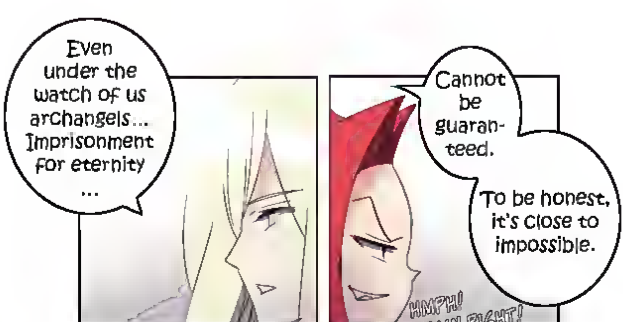
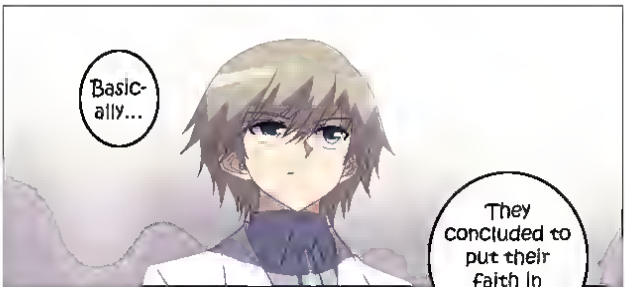
The results of the trial. All three are innocent.
The problem is, obviously... Punishment for Mephisto since he was sentenced guilty.
HM?!

WHAT DID I DO?! WHAT!? WHAT?! WHAT?!!
Out of the divine laws, the most severe punishment ...
Incarcerated for eternity and forced to make amends.
But for an archdevil like you, there's no way you'll stay put. You will do whatever you can to escape.

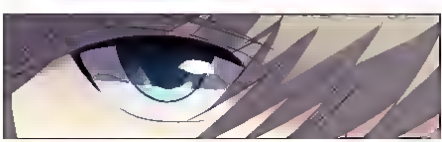


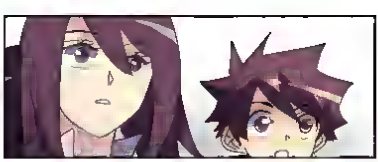
Even under the watch of us archangels... Imprisonment for eternity ...
Cannot be guaran-teed.
To be honest, it's close to impossible.
HMPH! DAMN RIGHT!

Furthermore, if we incarcerate Mephisto, we have to prepare ourselves for an all-out war with the devils.
We do not wish for that to happen.
All the angels and Azraels under command Have been prohibited from any unnecessary bloodshed.
Because of that... There were many different opinions within the jurors.
But for the most part, many were quite worried over the turn out of the contract between Mephisto and Faust-nim.
Since the conditions for the contract is that Faust-nim rehabilitates the archdevil Mephisto...
If Faust-nim is successful,
They decided that no further punishment will be given to the archdevil.



Basic-ally...
They concluded to put their faith in Faust-nim.





They believed that if it's Faust, who won against Mephisto before...
He will be able to win again this time as well.
WHAT?!! I TOLD YOU ALREADY, I DIDN'T LOSE!!

MICHAEL!!
HEY....!!
I shall leave this matter in your hands, Faust-nim.
Yes. Thank you.

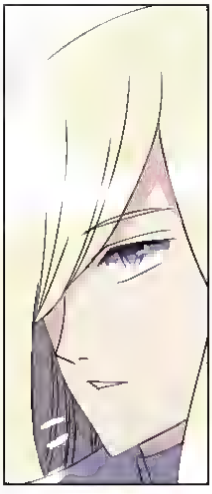
For my match with Mephisto...
There is a person much more important than I.



Cha Shi-hoon.
He is the referee for this contract.
?!!

M...Me?!!
Right.
Mephisto may have chosen you, but I trust you.

I believe that during a crucial moment...
You will deliver the best verdict possible.

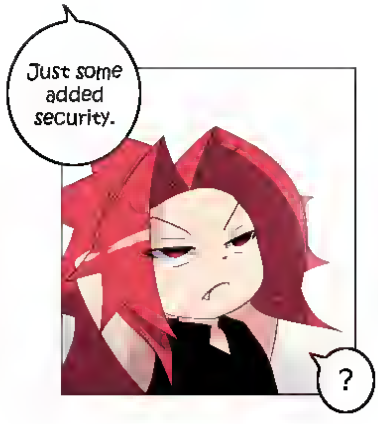
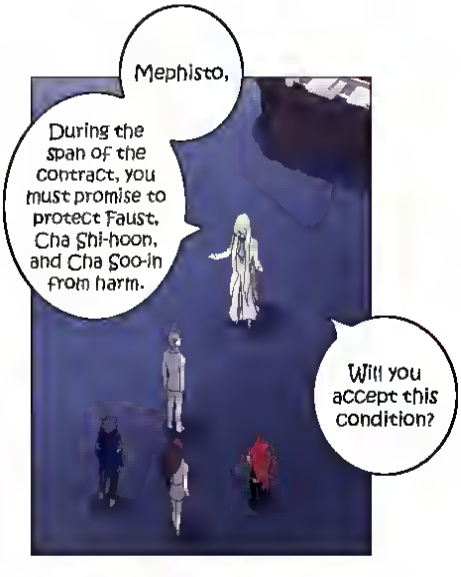
In return for Mephisto being released ...
There is a condition.



Just some added security.
?



Mephisto,
During the span of the contract, you must promise to protect Faust, Cha Shi-hoon, and Cha Soo-in from harm.
Will you accept this condition?

Alright, that much is nothing.
They're useless baggage, but I still hold an interest in them.

Since I want to play around with them more!!

There is still one matter left.

All the souls we brought over...
Were dragged away by Soul Hunters.
!!

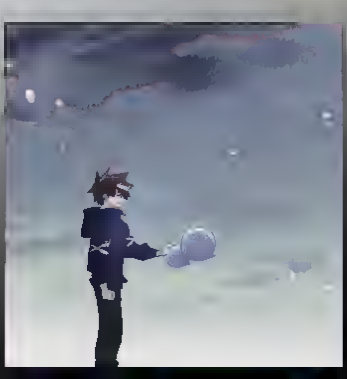
What ...?!

FAUST, WHAT ARE YOU SAYING?!!
WE DEFINITELY HANDED THEM OVER TO THOSE AZRAEL...!
AND THERE WAS EVEN AN AZRAEL YOU WERE FRIENDS WITH...
They were all wiped out.

Yago, Banu. Both are dead.
I... Personally confirmed this.

THE AZRAELS...
WERE ALL WIPED OUT ...?!!

THEN...



THE MOTHER CHILD SOULS ARE...

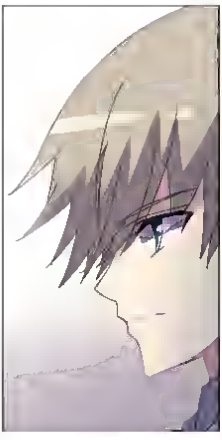
AND THAT PERVERTED ONE TOO...
THEY'RE ALL...

THEN THIS ISN'T THE TIME TO STAND AROUND LIKE THIS! LET'S HURRY AND.....!!
Wait, Shi-hoon.

Michael-nim.
Can you call... Cherub over here?
!

I've heard Cherub was the one in charge of this case.
We also are involved in this matter now.

I want him to join us in capturing those Soul Hunters.



Nice to meet you all.
I am Cherub, the one in charge of this case.

I presume you two are Cha Shi-hoon and Cha Soo-in?
I have heard about you two from Faust.
Ah, yes. Nice to meet you.

Then allow me to go straight to the point.
We still haven't uncovered the suspects.
They leave no traces, making them difficult to track.
So the investigators and I decided on a plan.
If we can't chase them, we'll make them come to us.

So, we sent out false information and some bait.
We tried this several times but .. They're clever bastards. They weren't caught that easily.
But this time it's different. We have definite 'Bait' now.

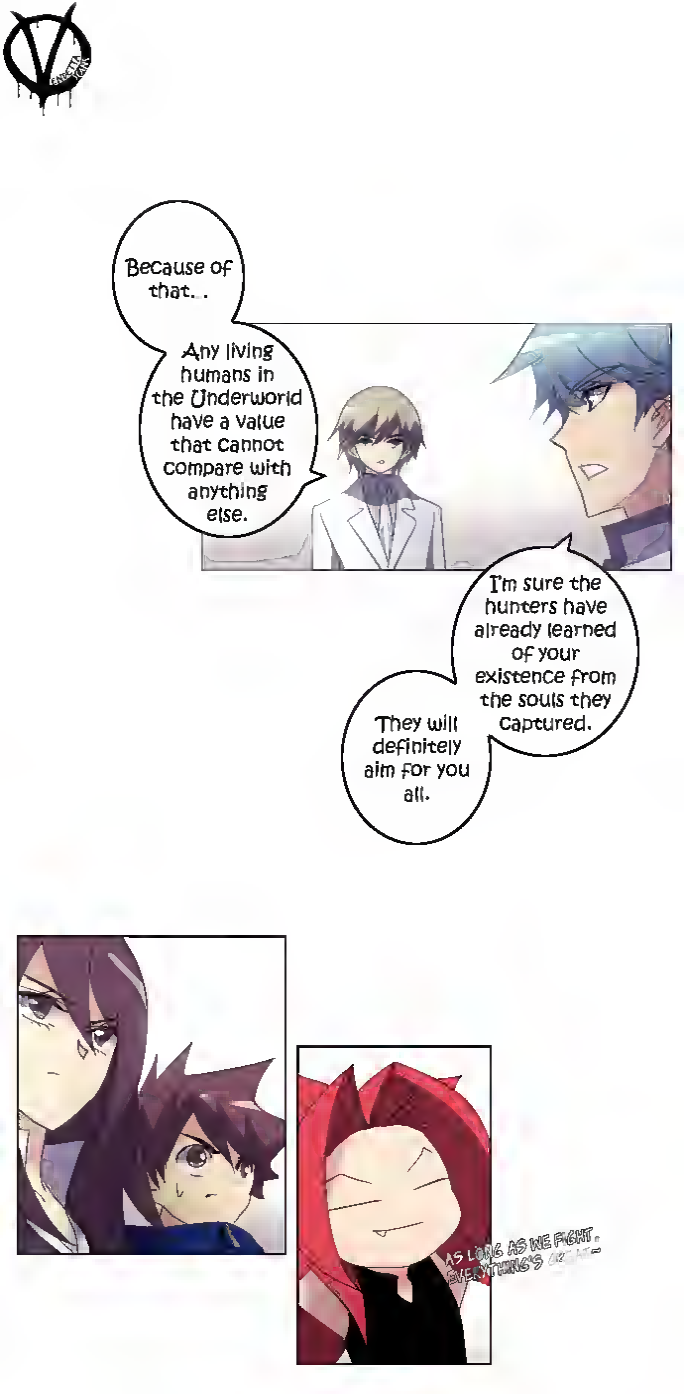
Definite... Bait?
Right ...

Which are us...
Humans.

!!

Demons eat souls.
BECAUSE DEMONS HAVE UNSTABLE BODIES...
IF THEY DON'T EAT SOULS, THEY CANNOT MAINTAIN THEIR BODIES AND FALL APART.
BECAUSE OF THAT, SOULS ARE SOMETHING SIMILAR TO FOOD FOR THEM...
IF THERE ARE NO SOULS TO EAT... THEN KILLING OTHER FELLOW DEMONS AND FEASTING ON THEIR SOULS ISN'T STRANGE AT ALL...
A WORLD WHERE ONLY THE STRONGEST SURVIVE...
IN OTHER WORDS, HELL...
HOWEVER... THE SOLE WISH OF THESE DEMONS IS TO BECOME HUMAN...
THE METHOD IS QUITE SIMPLE. THEY CAN THROW AWAY THEIR MANUFACTURED BODY AND MOVE THEIR SOUL INTO THE HUMAN'S BODY.
THEN... THE DEMONS CAN BECOME HUMAN
THEY CAN ESCAPE THE UNDERWORLD AND GO TO THE HUMAN WORLD.

IF THEY CAN STEAL ANOTHER HUMAN'S BODY, THEY CAN STAY IN THE HUMAN WORLD FOR ETERNITY.



Because of that. .
Any living humans in the Underworld have a value that cannot compare with anything else.
I'm sure the hunters have already learned of your existence from the souls they captured.
They will definitely aim for you all.
AS LONG AS WE FIGHT, EVERYTHING'S

Of course, with the vital role as bait, we cannot just send you all off.
For your safety, I will also accompany you.

And also carry out some surveillance.

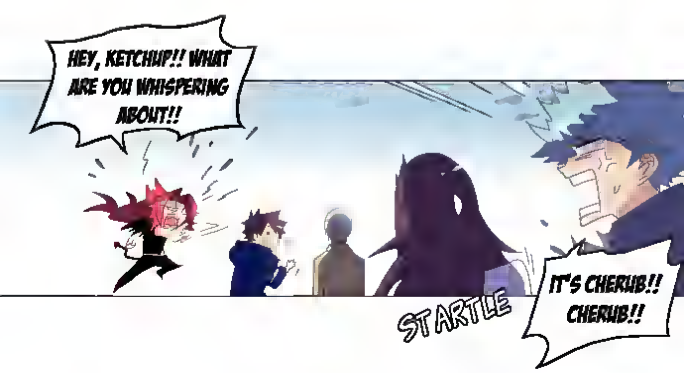
THANK YOU FOR UNDERSTANDING...
Good job for coming this far with that kind of devil...



HEY, KETCHUP!! WHAT ARE YOU WHISPERING ABOUT!!
STARTLE
IT'S CHERUB!! CHERUB!!

This is where the incident took place.

The place where an Azrael named Yago was discovered.

Yago was an Azrael with much experience and skill.

But before he could utilize his skills, he took in a mortal wound in a single blow

A SINGLE BLOW...!
The opponent's skill isn't normal.

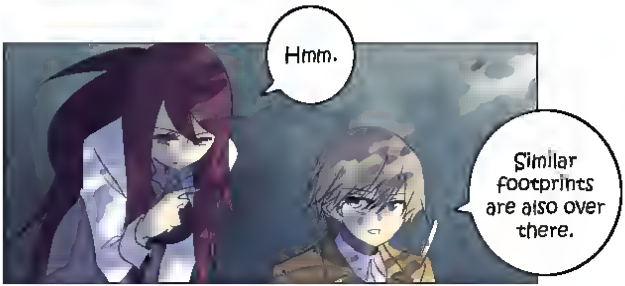
He possesses a skill that can defeat an Azrael in an instant.
...

Sister, Faust. Did you find anything over there?

No... That's...

What is... This imprint...?

That was also within the case record.
The same footprints were also discovered in other cases as well.
A very deeply indented footprint and handprint... It was a blow that left the ground in such a state.
Perhaps... These are the remainders of an action he must take before he uses his particular skill.

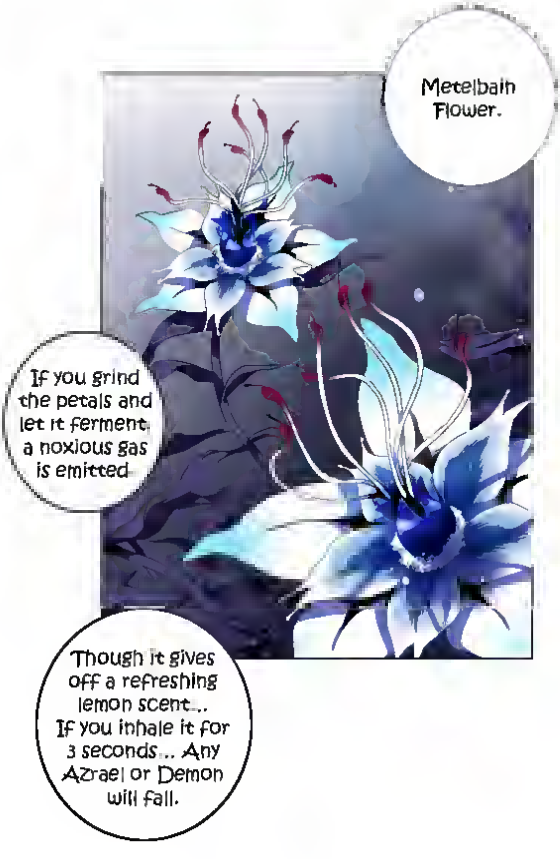


Hmm.
Similar footprints are also over there.

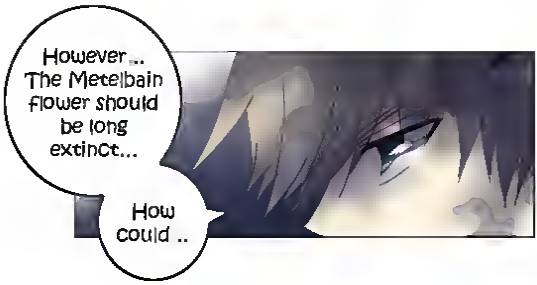
Though... The footprints drag out quite a bit.
Are these all the traces they left...?!
Yes. This is all the information we have related to the perpetrator's skill.

Though it's difficult to discern the perpetrator's ability with just this...
We can probably form a couple hypotheses.
The perpetrator's ...special ability...
Also...
As for the Azrael Banu, who also fell around a similar time
The cause of death was poisoning.

Poison?
Yes... We discovered this from Banu's corpse.



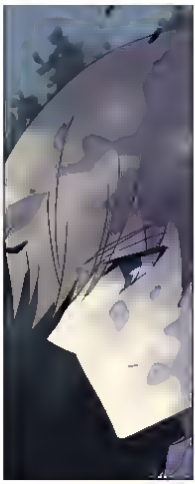
Metelbain Flower.
If you grind the petals and let it ferment, a noxious gas is emitted.
Though it gives off a refreshing lemon scent... If you inhale it for 3 seconds... Any Azrael or Demon will fall.

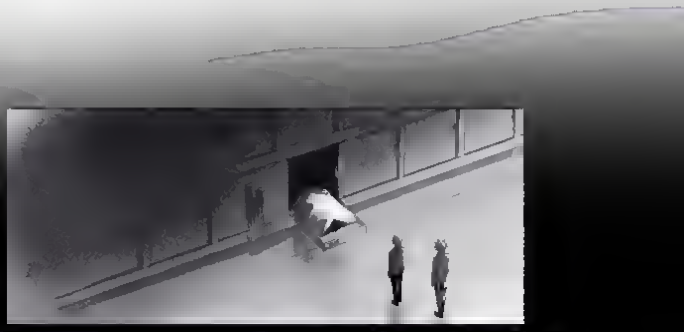


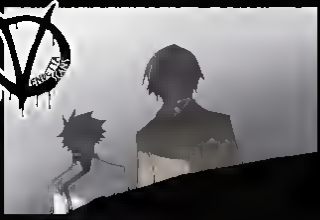
However... The Metelbain flower should be long extinct...
How could ..

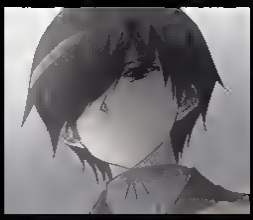
Hmph!
All of this stuff is useless on my body~!
SFX: POP

Anyways, whether it's this guy or that guy...
Everything is a cinch for me~!!
KyaKyaKyaKya
Geez~!!









Man...
Why the hell is Ison so damn late?
SOUL HUNTER
JUNE
SOUL HUNTER

Just wait a little more, Karl.

That guy has an easy going personality.

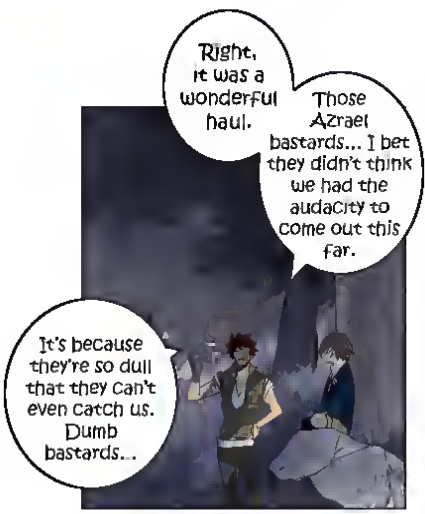
But anyways, this sure is a jackpot.
To think there were this many souls...
SHIVER
SHIVER
SHIVER
SHIVER



Right, it was a wonderful haul.
Those Azrael bastards... I bet they didn't think we had the audacity to come out this far.
It's because they're so dull that they can't even catch us. Dumb bastards...

Hey~!

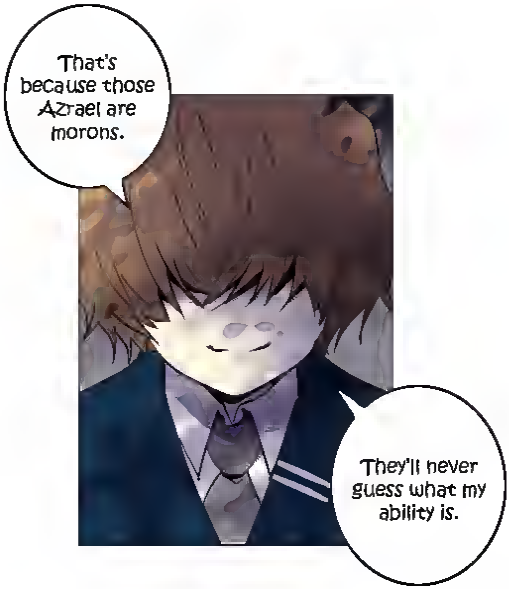
I'M BACK-
I'M BACK-

HEY!! ISON!! YOU'RE THE LATEST ONE HERE!!
Sorry, sorry.

Waah~
I had to come all sneakily here in case the Azrael found me. It was hard as hell.
SOUL HUNTER
ISON

Hmph, like hell you did!
Anyways, if we're all the way out here, we're safe.
KUKU

With June's ability, we can lead the Azrael on a chase...
As long as we want.



That's because those Azrael are morons.
They'll never guess what my ability is.

Putting that aside, Ison, this time you were far too late.
Ah, a couple souls tried to run away~
I tried to treat them like a gentleman, but they pissed me off so I got rid of them.

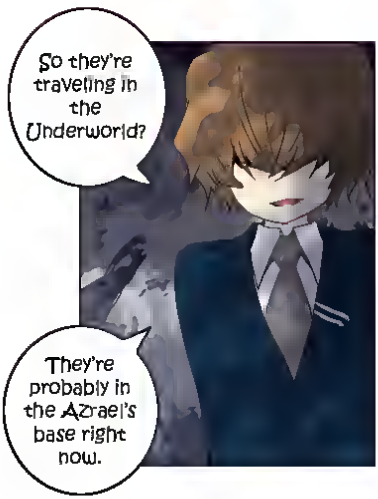
Kukuku, that's why you should do it like me.
Just eat a couple guys in front of them.
We can't purposely dwindle our merchandise~

M-Mommy...
It's alright, It's alright.
HOW RIDICULOUS..!
FACING THIS RIGHT AFTER WE REACH THE UNDERWORLD ?!!

I DON'T... I DON'T WANT TO GET EATEN BY A DEMON...!!
MISS!!!!!

Anyways, have you heard?
What?
Some good news?
Yup. Something very enticing.

There are humans here.
And three of them at that...!
I heard this from the souls we caught. Seems like it's a party of spirit mediums.



So they're traveling in the Underworld?
They're probably in the Azrael's base right now.

Ah, that? I also heard that from the souls I caught.
SWISH
SWISH
Mephistopheles is within that party~
Forget it. Give up.
He's a freaking Archdevil. We have no chance.
We'll get annihilated in an instant.
But there are human bodies.
Three at that.

These days there are hardly any humans who come to the Underworld... So information like this is difficult to obtain.
If we can lay our hands on a human body.. We can all become human and go to the human world.
We can end our tiring soul hunts too.

It's a waste to throw away this golden opportunity.
On top of that I hear they're young. Those are premium goods.
So what? Fight with an Archdevil?
Fighting a thousand Azrael sounds better than that~

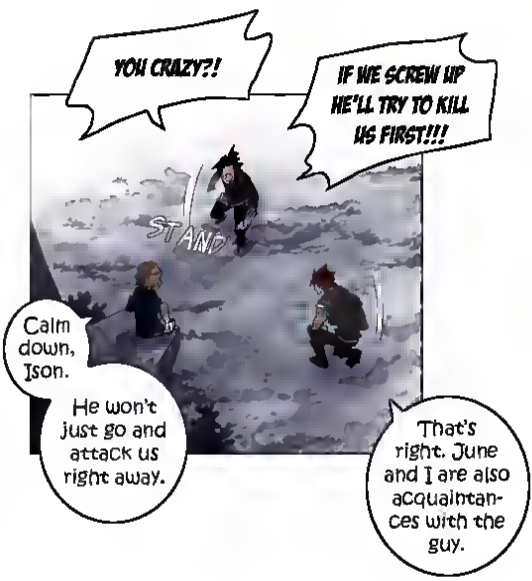
There's a way.
GRIN

We just need to bring a guy that can face off against Mephisto

Don't tell me... You're talking about...
!!
NOD

If it's... Nigul...
Not only souls, but also soul hunters...
Hunting anything he pleases— That demon hunter...

Said to have fought the Archdevil Mephistopheles to a draw...
That monster-like bastard. .



YOU CRAZY?!
IF WE SCREW UP HE'LL TRY TO KILL US FIRST!!!
STAND
Calm down, Json.
He won't just go and attack us right away.
That's right. June and I are also acquaintances with the guy.

His fight with Mephistopheles...
Has it been around 100 years?
R-Right. It was famous back then...

Now... I heard he became so powerful that there's no comparison to before.
I've also heard he wanted to have a rematch against Mephistopheles and finish him off.
I'm sure if Mephisto heard this, his body will be just itching for a fight.

Face off against...
An Archdevil...

Th-Then...
That's a great idea, Kari.
I'll send a messenger Tamumu over, so let's go call that monster-like
SWISH-

SFX: SQUAWK

While the fight goes on... We just need to capture those humans.

We're gonna steal some human bodies.
Within the stage we set up...

By the way... Is it really alright to just go around this recklessly?
STEP
STEP

That's not the case.
The hunters are traveling with all those souls in a group.
In a dense forest like this, they can't help but leave traces behind. We're tracking those traces right now.

Even before, the Azraels tried tracking them down numerous times, but...
After a certain point, the tracks just disappeared.
How to put it... as if they were going in circles...
Every time after a certain point, we lost trace of them.

This time it's different.
The fact that those hunters took the souls with them... Means that they know of our existence.
I'm sure they expected us to track them as well.

If they are aiming at us as their prey. . I'm sure they haven't gone far.

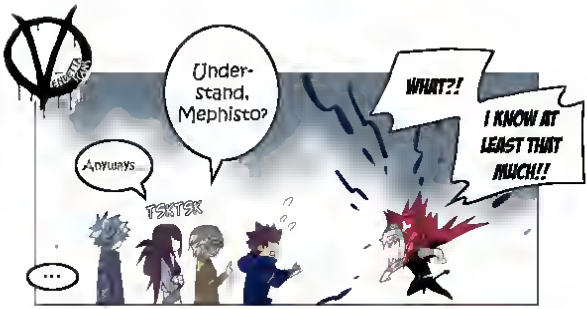
Hmph! It's even better if they choose to attack us first!

I'll simply wipe them out in one blow!!
Kyakyakyakya
...

Mephisto...
They are skilled hunters. Do you really think they'll attack us out in the open?
FLINCH

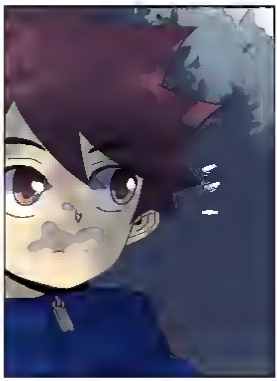
They will be silently hiding... Aiming for their prey.

The moment we show a single opening...
That's when they'll strike...



Under-stand, Mephisto?
Anyways
TSKTSK
...
WHAT?!
I KNOW AT LEAST THAT MUCH!!

They don't have. Even an ounce of tension...
WAH!
WAH!



What's wrong, Shi-hoon?
RUSTLE

Over here~ Take a look at this.

There's a whole bunch of these things

Mush-rooms_,?!

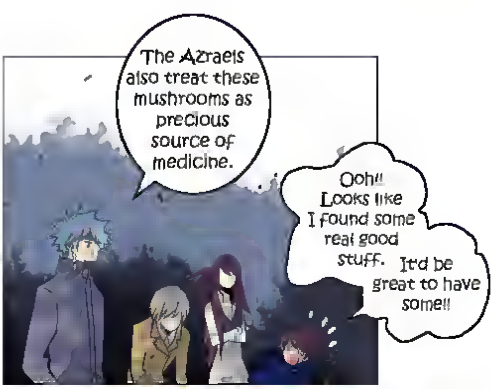
Are they mushrooms from the Underworld?
That's a first even for me!
Ah~ This stuff I've seen it a few times

Oh, these are 'Isolei mushrooms' aren't they?!
Isolei mush-rooms...?

Isolei mushrooms are rare species.
You don't come across them often.
RAISE

I've only read about them, but I've never seen them in real life.
You see, these mushrooms Have legs, so they're able to walk around.

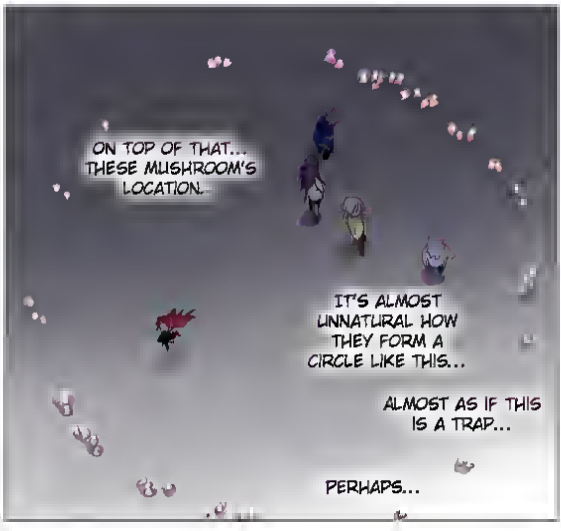
W-WALK AROUND~?!!
Yup. If they sense any danger . Legs pop out of their bodies and they run away.
They have many uses, so they're used in many different types of medicine.
They are precious mush-rooms.



The Azraels also treat these mushrooms as precious source of medicine.
Ooh!! Looks like I found some real good stuff.
It'd be great to have some!!

Well, even if we don't, there sure are a lot around here...

But...
From what I know...
Isolei mushrooms need plenty of water for their growth, so they should only grow around streams...
In this kind of forest... For all these mushrooms to be here... It's too strange.



ON TOP OF THAT... THESE MUSHROOM'S LOCATION...
IT'S ALMOST UNNATURAL HOW THEY FORM A CIRCLE LIKE THIS...
ALMOST AS IF THIS IS A TRAP...
PERHAPS...

Anyways, we're in the middle of tracking down those soul hunters.
Since we don't know their abilities... We should be cautious even if it's slightly suspicious.

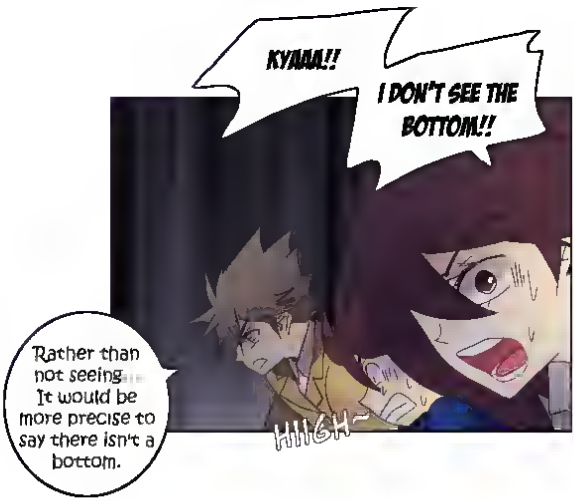
What were you saying back there?
SHYUUUUUU
Since the mushrooms were suspicious I was saying we shouldn't...
Forget it...



KYAAA!!
I DON'T SEE THE BOTTOM!!
Rather than not seeing... It would be more precise to say there isn't a bottom.
HIIGH~

This is the 'Seal of the Abyss'.
ABYSS?!
WHAT THE HELL IS THAT?!
An endless abyss. .
Within the Underworld, over 20 exist. They also call it a mystery of some sort as well.

WITH NO FLOOR, A PLACE WITH NO END.
SINCE THERE IS NO EXIT, ONCE YOU GO IN, THERE IS NO WAY OUT.
IT MEANS YOU'RE TRAPPED IN DARKNESS FOR ETERNITY.

This pitfall is...
A trap made by a shaman to imitate an Underworld abyss.

SFX: SHYUUUU
This is all made with the shaman's own strength.

It seems... Among the hunters we are chasing...
There is a an incredibly skilled Trap Shaman traveling with them.
To be able to create an abyss as a trap...
Even in the Underworld there is only a handful capable of this much skill.

Since the trap can be shaped by the shaman's will...
We'll be in danger once he starts to control the abyss.
In the worst case, he may be able to split us all apart in the darkness.

He'll steal
Shi-hoon's,
Soo-in's, and
my body in an
instant.

Hmph!

Why get serious over something like this?
IT'S FUN ISN'T IT?!

Something like this you say... Mephisto!
Do you have a way to escape this abyss?

Ahh, there were several times when I fell into places like these in the past.
SFX: BLAAA

Faust
Is there no other way...?

A way so that all of us...
Can escape safely...!

That might be...
Possible...

Enough strength... To help us all escape from this abyss...
There might be just one person... Who may have that strength...
JUST ONE PERSON...?!

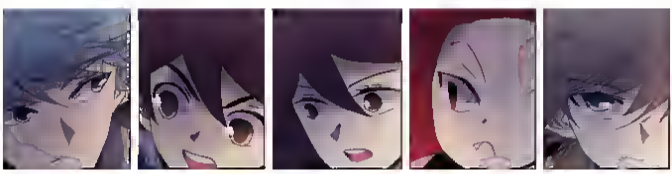
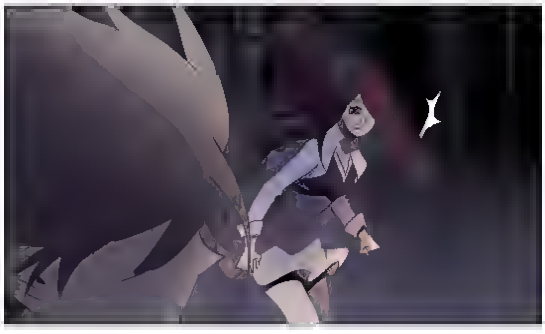
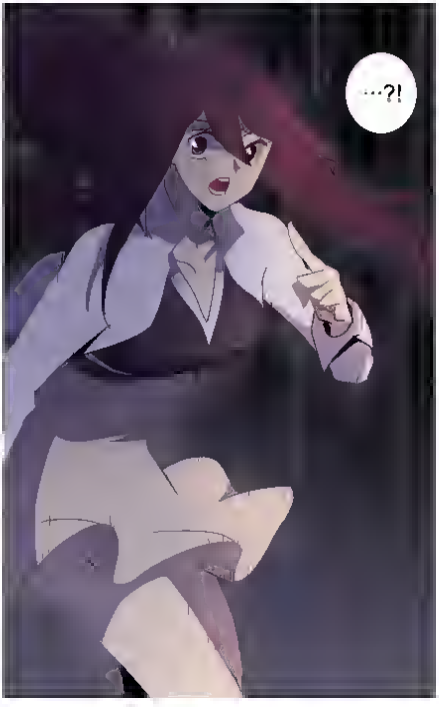
ONE OF US...
MAY BE ABLE TO GET US OUT OF HERE...?!



Faust, one of us you say...
Who?





SOUL CARTEL

소울 카르텔

45

The Seal of the Abyss we fell into is a pitfall with no exit.
So basically... If there is no exit, we can just make one.
Shyuuu
Make... An exit?

Yes, this is why we need your strength, Miss Soo-in.
My strength...?
Don't tell me...
That's right.

The 'Void Sigil'
The sigil Miss Soo-in made... In order for us to quickly enter the Underworld...
We need to utilize the teleporting function of that sigil.

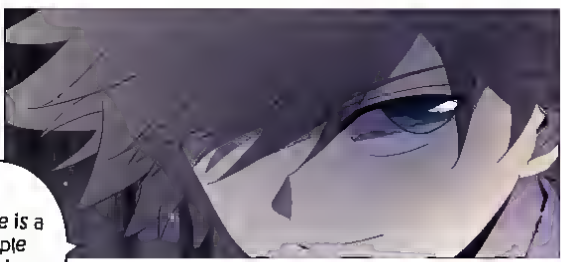
If it's the 'Void Sigil' we'll be able to teleport regardless of whether there is an exit or not.
We'll be able to escape with everyone here.
Right... With that, it may be possible ..
However ...

There's a problem.
In order to create the foundation... There are some necessary requirements.

The first requirement is the base of the sigil, the circular band itself.
The second are five poles infused with several week's worth of my powers.

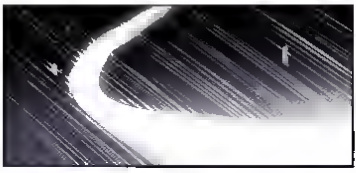
Both requirements must absolutely be filled.

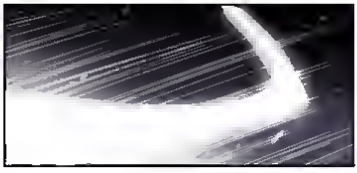
For the first problem...
PULL

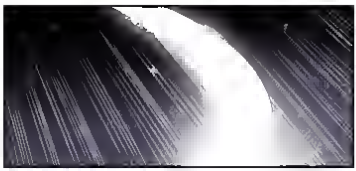


There is a simple solution.

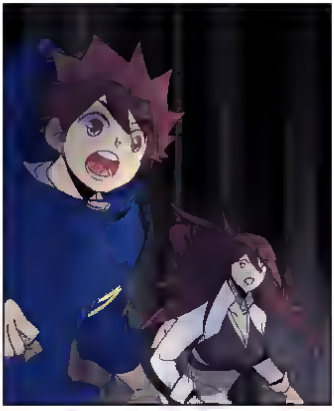
GOD'S PAPYRUS







FL
A
SH

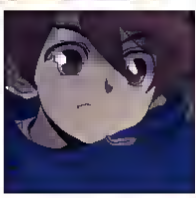


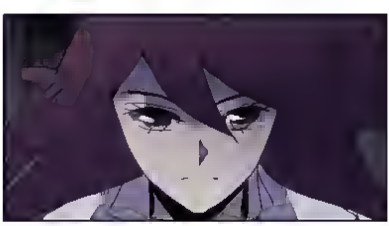
How is it, Miss Soo-In? Is this enough to form the base of the sigil?
W-WOW!!
Yeah...
It should be enough.

We solved the base... With the help of God's Papyrus...
But the five poles...
Because I have to store my powers into those poles, a normal rod won't do. .
There's no problem with that as well.

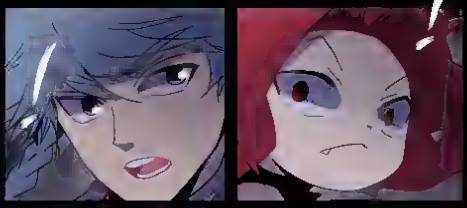
Since everything needed is already here.

? ? ? ?

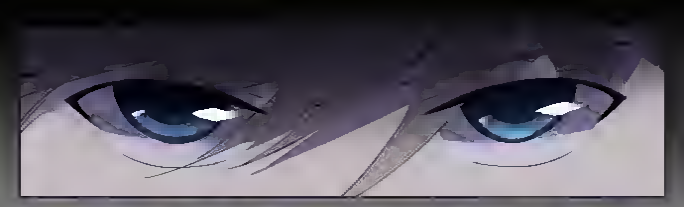




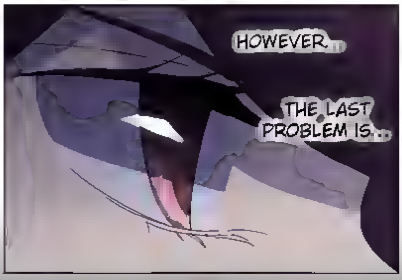
The five poles are already here?
Yes, that is correct
Those poles...
Are the five of us here... We'll be the source of power.



The five of us will become the five poles needed.
With our individual strength... Compared to those weak poles infused with power...



We should be more than enough.



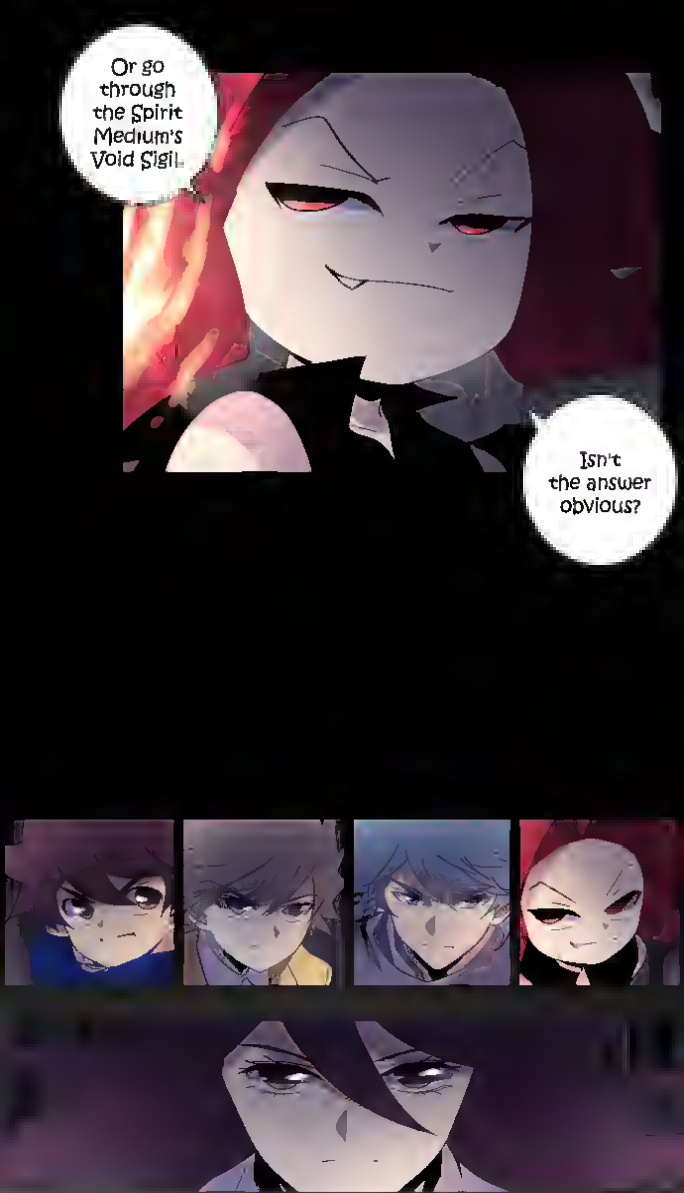
Even if we can use the Void Sigil...

There is one more problem.
?!
The problem is... The fact that the Void Sigil is a very dangerous technique.

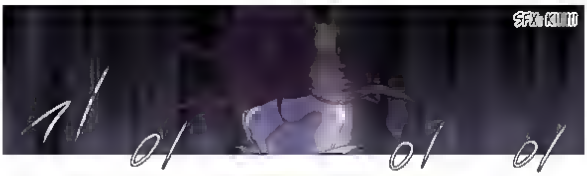
The concept of teleportation... Is to tilt the flow of space and move through it.
Basically, you are forcefully tilting space itself. It's a very difficult technique.
In case the sigil fails, the repercussions are very large.
Especially since the flow of space in the Underworld, compared to the Human World, is very unstable.
If we use the Void Sigil and the unstable flow throws us off course...
We will instantly... Meet our demise...

Because of such danger, there is an unwritten law that one should not use teleportation sigils
Even the Archangels themselves don't use teleportation...
They just occasionally use... The device that teleports them between Azrael bases
Yes. I am also aware of these facts
Since the only time I am able to use the sigil...
Is when the flow is most stable, which is under the full moon. And only as an entrance to the Underworld at that

However ...
Right now... We have no other choice.
This is why Faust decided on this method even though he knew of the repercussions.
...
Hmph. so basically you all have two choices.
Either escape through the hellfire I make...



Or go through the Spirit Medium's Void Sigil.
Isn't the answer obvious?

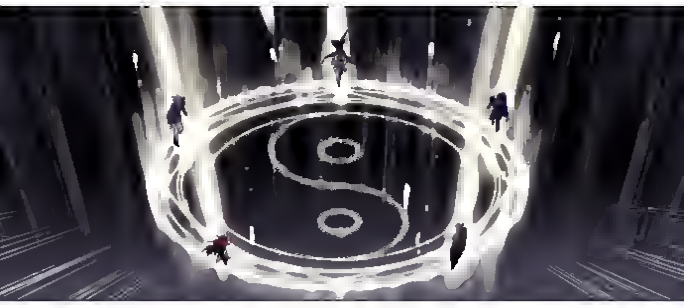


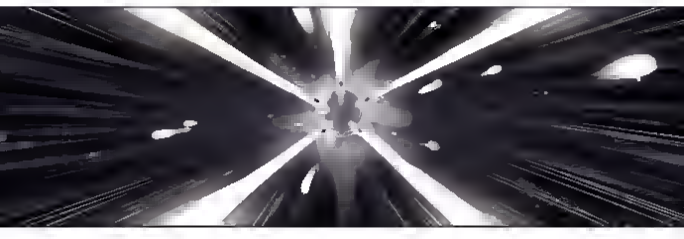
SFX: KUU!!

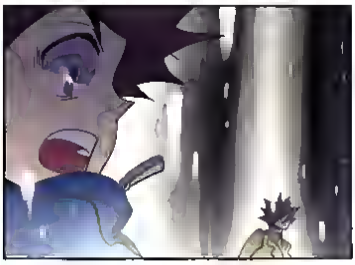
WE HAVE NO OTHER CHOICE...

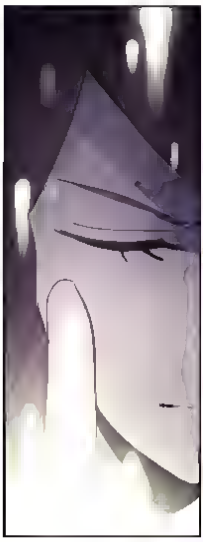
VOID SIGIL.

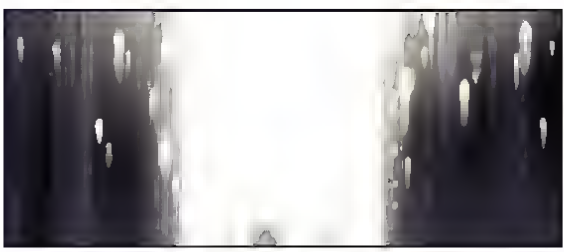
THIS IS THE ONLY CHOICE WE HAVE...!
SFX: WHOOOOOSH











SFX: FLAAASH
SFX: SHYUUUUUUUU

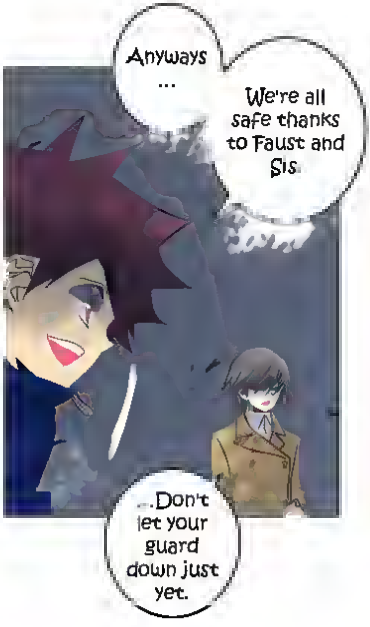
Puah~ We're still alive.

Is everyone alright?
Yes, we managed... To make it back in one piece.

Seriously.
What an annoying trap that was.
The cause of all this is you, Mephisto.

Miss Soo-in.
RAISE

This time .. We may have all gotten out safely .. But as I said before, the Void Sigil is very dangerous.
Especially in the Underworld where the space flow is unstable ..
From now on, you must never use it again.
Yes, I shall take heed.



Anyways ...
We're all safe thanks to Faust and Sis.
..Don't let your guard down just yet.

The hunters... Are definitely trying to capture us.
They'll probably show themselves really soon.
Their hunt has already started.

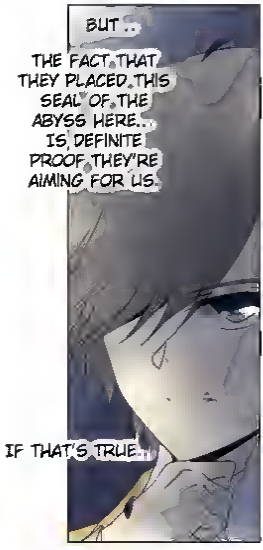
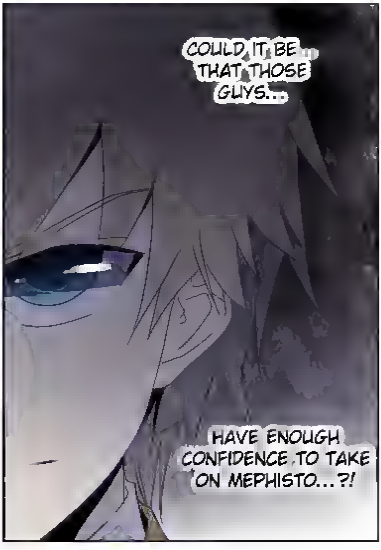
THE HUNTERS... SHOULD BE AWARE THAT WE HAVE AN ARCHDEVIL IN OUR PARTY...
HONESTLY... IT'S BECAUSE OF THAT FACT I WORRIED WHETHER THEY WILL TRY HUNTING US OR NOT...
DEPENDING ON HOW THINGS TURN OUT, I WAS EVEN PREPARED TO GIVE CHASE...



BUT...
THE FACT THAT THEY PLACED THIS SEAL OF THE ABYSS HERE... IS DEFINITE PROOF THEY'RE AIMING FOR US.
IF THAT'S TRUE...



COULD IT BE... THAT THOSE GUYS...
HAVE ENOUGH CONFIDENCE TO TAKE ON MEPHISTO...?!
